Amy Harvey, County Clerk
Katy Simon, County Manager
Paul Lipparelli, Assistant District Attorney

ABSENT:

Bonnie Weber, Vice Chairperson
Bob Larkin, Commissioner

The Washoe County Board of Commissioners convened at 9:02 a.m. in regular session in the Commission Chambers of the Washoe County Administration Complex, 1001 East Ninth Street, Reno, Nevada. Following the Pledge of Allegiance to the flag of our Country, the Clerk called the roll and the Board conducted the following business:

11-835 AGENDA ITEM 3 – PUBLIC COMMENT

Agenda Subject: “Public Comment. Comment heard under this item will be limited to two minutes per person and may pertain to matters both on and off the Commission agenda. The Commission will also hear public comment during individual action items, with comment limited to two minutes per person. Comments are to be made to the Commission as a whole.”

There was no response to the call for public comment.

11-836 AGENDA ITEM 4 – ANNOUNCEMENTS

Agenda Subject: “Commissioners’/Manager’s Announcements, Requests for Information, Topics for Future Agendas, Statements Relating to Items Not on the Agenda and any ideas and suggestions for greater efficiency, cost effectiveness and innovation in County government. (No discussion among Commissioners will take place on this item.)”

Katy Simon, County Manager, announced Agenda Item 6, the meeting of the Sierra Fire Protection District (SFPD) Board of Fire Commissioners, was being pulled.

Chairman Breternitz asked for a moment of reflection for the ten known fatalities that occurred Friday at the Reno Air Races, for those who were injured, and for those who witnessed the tragedy.

Chairman Breternitz read a Resolution Supporting Victims and Their Families and Commending Staff and Volunteers for Efforts During the Air Race Emergency. The Resolution for same is attached hereto and made a part of the minutes thereof. He led a round of applause for the first responders who were present. He announced there would be a memorial service at Idlewild Park on Sunday at 6:00 p.m., which everyone was invited to attend.

Commissioner Humke requested an agenda item to discuss Animal Services, because the County was rife with rumors regarding what was occurring with Animal Services and certain leases. He indicated the discussion should take place only if all five Commissioners were present.

Chairman Breternitz stated he met with the Dick Bernard, the Regional Emergency Medical Services Authority (REMSA) Board Chairman. He said he was told REMSA would provide all of the information required to conduct a comprehensive analysis of the countywide emergency medical system. He advised if there were any questions regarding the appropriateness of the information being requested, he would meet with Mr. Bernard to get the issue resolved. Katy Simon, County Manager, advised awarding the contract to a firm to conduct the study was on next week's agenda.

Chairman Breternitz requested an agenda item regarding SB 381, which allowed the wedding chapels to issue marriage licenses when the Clerk's Office was closed. He stated he wanted an update on whether it would be necessary to implement that provision of SB 381.

11-837 AGENDA ITEM 5 – REGISTRAR OF VOTERS

Agenda Subject: “Vote Canvass - September 13, 2011 Special Election--Registrar of Voters. (All Commission Districts.)”

Dan Burk, Registrar of Voters, stated the 32.73 percent voter turnout in Washoe County for the Special Election was higher than expected. He said 54 percent of the voters took advantage of early voting and 39 percent voted on Election Day. He noted more people voted during the first week of early voting than during the second week for the first time. He said just under 5,000 people voted using absentee ballots and there were 340 requests for absentee ballots from the military and overseas voters with slightly more than 300 voting. He explained that was the only category where people could vote electronically through a process set up under the federal government. He said the ballot was scanned and sent to the voter, they voted, scanned the ballot, and returned it to the Registrar's Office. He stated ballots were then duplicated and entered into Washoe County's electronic system, which meant the voters had to sign away their right to

privacy regarding their vote. He stated that service was especially helpful for military personnel who might otherwise not have the time to vote.

Mr. Burk said all 500 of the poll workers showed up, which was the first time he could recall that happening, and all 69 polling places were open on time. He stated he was grateful for the 39 employees who volunteered and to the Department Heads who allowed them to work during the election. He explained they were especially adept at handling situations with people because they were used to dealing with the public.

Mr. Burk said out of the 14 early voting locations, the highest percentage of early voting occurred at the Scolari's stores. He stated another surprising fact from this election was the high number of provisional votes cast. He said 394 were counted as being eligible to vote in the election out of the 464 ballots cast. He explained many people showed up at the wrong polling place because the number of polling places was decreased for this election.

Mr. Burk said the Certification Board was required to choose 2 percent out of the 1003 total edges to audit, and they chose 20 locations and 20 edges. He noted they checked the electronic ballots against the paper ballots and they matched.

Mr. Burk said the map attached to the staff report showed the County's rate of turnout and where each candidate did well. He said the Abstract was shown in pages 7 through 25 and was broken down by how the people voted.

Mr. Burk thanked his wonderful staff, Cate Salim, Heather Carmen, Deanna Spikula, and Luanne Cutler; the 39 county employees who volunteered including Brian Takemoto and Kobe Harkins from the Technology Services Department. He also thanked Bob Harmon, Regional Parks and Open Space Public Information Officer, and Lorrie Adams, Community Outreach Coordinator, for their support in representing the County to the press on Election Day. He said he additionally wanted to thank Marilyn Kramer and the people in Reprographics who produced over 220,000 copies of the sample ballot for under \$5,000.

Commissioner Humke asked how close to a polling place could campaign or candidate activity occur. Mr. Burk confirmed it was 100 feet from the entrance to the building. He explained the federal courts decided four years ago that exit polling could be done right up to the door.

Commissioner Humke asked who could use electronic voting. Mr. Burk said the federal law applied to all military personnel and their spouses, including those overseas, and any other overseas voters. He explained the federal government developed its own electronic voting system, but it was clunky to use. He said that led to Washoe and Clark Counties developing their own in-house system, which provided greater flexibility while still allowing the voter's identity to be verified. Commissioner Humke asked if the development of the electronic voting system related to the United States Postal Service

(USPS) financial situation. Mr. Burk said the system had nothing to do with the USPS situation. He stated military personnel had been complaining that once they got their ballot there was not enough time to return it, especially if they were posted to a remote location.

Commissioner Humke said he was intrigued by how quickly Mark Amodei was called Representative Elect for Nevada's 2nd U.S. House District seat. Mr. Burk explained the election results would remain unofficial until the Commission certified the election results; and he was also surprised Mr. Amodei was sworn in already, because the last day to certify the vote was tomorrow. He said the process was to count all of the votes, verify the provisional ballots, and then present the canvass to the Commission for approval. Commissioner Humke said if a flaw in the canvass was found, any votes Mr. Amodei cast in Congress could be unwound. Mr. Burk advised a person still had the right to file a challenge of the election through today. He said ordering a recount was always a possibility and happened in Washoe County before.

Commissioner Humke said the Legislature passed the special election process, and he asked if Mr. Burk had any recommendations to improve the process. Mr. Burk said some of the features of a bill that passed took care of some of the worst problems, such as the last day to register to vote being after the first day of early voting. He felt it was a shame the money had to be spent to conduct the special election, because eight months later it would have to be done again. He stated the advantage for his office in doing the special election was a small election was the best type of election to prepare for the large elections that would occur in 2012.

Commissioner Humke said he had been informed the special election legislation was passed after September 11, 2001 due to concerns of possible mass casualties in the United States Congress. He asked if multiple vacancies could have been handled using an appointment system. Mr. Burk said the United States Constitution proved a replacement to the United States Congress would be made by the people, because it was called the "people's house."

On motion by Commissioner Humke, seconded by Commissioner Jung, which motion duly carried with Commissioners Larkin and Weber absent, it was ordered that the vote canvass submitted under Agenda Item 5 be approved and declared as official. The Abstract of Votes Cast in the Special Election of September 13, 2011 is attached hereto and made a part of the minutes thereof.

11-838 AGENDA ITEM 7 – CLOSED SESSION

Agenda Subject: "Possible Closed Session for the purpose of discussing labor negotiations with Washoe County, Truckee Meadows Fire Protection District and/or Sierra Fire Protection District per NRS 288.220."

There was no closed session.

11-839 **AGENDA ITEM 9 – PUBLIC COMMENTS**

Agenda Subject: “Public Comment. Comment heard under this item will be limited to two minutes per person and may pertain to matters both on and off the Commission agenda. The Commission will also hear public comment during individual action items, with comment limited to two minutes per person. Comments are to be made to the Commission as a whole.”

There was no response to the call for public comment.
