Public Comment during the meeting will be for all matters, both on and off the agenda, and be limited to three (3) minutes per person. No public comment will be heard during individual items on the agenda. Persons are invited to submit comments in writing on the agenda items and/or attend and make comment during the designated public comment period at the Board meeting.

The Chairperson and County Board of Equalization intend that their proceedings should demonstrate the highest levels of decorum, civic responsibility, efficiency and mutual respect between citizens and their government. The Board respects the right of citizens to present differing opinions and views, even criticism, but our democracy cannot function effectively in an environment of personal attacks, slander, threats of violence and willful disruption. To that end the Nevada Open Meeting Law provides the authority for the Chair of a public body to maintain the decorum and to declare a recess if needed to remove any person who is disrupting the meeting, and notice is hereby provided of the intent of this body to preserve the decorum and remove anyone who disrupts the proceedings.
