 ORDINANCE NO. 157  
 (of Washoe County, Nevada)

AN ORDINANCE CREATING WASHOE COUNTY, NEVADA, ASSESSMENT DISTRICT NO. 1; ORDERING THE ACQUISITION AND IMPROVEMENT OF A STREET PROJECT AND A CURB AND GUTTER PROJECT, ALL WITHIN WASHOE COUNTY, NEVADA; PROVIDING FOR THE LEVY AND COLLECTION OF SPECIAL ASSESSMENTS THEREFOR; RATIFYING, APPROVING AND CONFIRMING ALL ACTION PREVIOUSLY TAKEN BY THE BOARD OF COUNTY COMMISSIONERS OF WASHOE COUNTY AND THE OFFICERS OF SAID COUNTY DIRECTED TOWARD THE ACQUISITION OF CERTAIN IMPROVEMENTS IN SAID DISTRICT; PRESCRIBING DETAILS IN CONNECTION THEREWITH AND OTHER MATTERS RELATING THERETO; AND DECLARING AN EMERGENCY.

WHEREAS, the Board of County Commissioners of the County of Washoe in the State of Nevada (the "Board," "County" and "State," respectively), deems it necessary to create Washoe County, Nevada, Assessment District No. 1 (the "District"), for the purpose of grading, regrading, graveling, oiling, surfacing, widening, paving, draining, storm sewers, manholes, inlets, retaining walls and all appurtenances and incidentals, including real and other property therefor, with intersections ("Assessment Unit No. 1"), and for the purpose of acquiring and improving a curb and gutter project consisting of roll type concrete curb and gutter and all appurtenances and incidentals thereto, including grading, base course, paving, curb inlets and cast iron catch basins and all real and other property therefor ("Assessment Unit No. 2"), and to defray a portion of the entire cost and

expense of such improvements by special assessments, according to benefits, against the benefited lots and premises in said District; and

WHEREAS, by a resolution passed and approved the 15th day of March, 1967 (the "provisional order resolution"), the Board declared its determination to create the District for the purpose of making said improvements, stating therein the improvements, what portion of the entire expense thereof shall be paid by special assessment, and that the assessment is to be made according to benefits, by apt description designating the District, including the lands to be so assessed and definitely locating the improvements to be made; and

WHEREAS, pursuant to the provisional order resolution, the Board gave notice (in the manner specified by the laws of the State of Nevada) of the filing of the preliminary plans, assessment plat, typical section of the contemplated improvements, preliminary estimate of cost, and estimate of maximum benefits, and of the time and place of hearing thereon; and

WHEREAS, the manner of giving such notice by mail, publication and posting was reasonably calculated to inform the parties of the proceedings concerning the District which might directly and adversely affect their legally protected interests; and

WHEREAS, the 12 written and 10 oral objections and protests received for Assessment Unit No. 1, and the 12 written and 10 oral objections and protests received for Assessment Unit No. 2, were duly considered, and the Board has determined that it is in the best interests of said District, the County, and the inhabitants thereof to create the District as theretofore proposed; and

WHEREAS, the owners of less than one-half of the frontage to be assessed in Assessment Units 1 and 2 filed written or made oral objections; and

WHEREAS, any person filing a written complaint, protest, or objection shall have the right, within sixty (60) days after the Board has finally passed on such complaint, protest, or objection by ordinance to commence an action or suit in any court of competent jurisdiction to correct or set aside such determination; and

WHEREAS, the Board and officers of said County have done all things necessary and preliminary to the creation of the District, including but not necessarily limited to the filing with the County Clerk of an accurate estimate of cost, full and detailed plans and specifications, assessment plat, and map by Sprout Engineers Inc., Sparks, Nevada (the "Engineer"), and said Board desires now to authorize such improvements and work by this emergency measure, the reasons for passage as an emergency measure being the necessity for immediately undertaking such improvements.

2	187,059.00	187,059.00	None
Total	\$761,542.00	\$761,542.00	None

The amounts to be assessed (including the costs of intersections) in each unit shall be levied upon all tracts in that unit, which tracts are benefited proportionately to the special benefits received and shall be assessed against the property abutting the right of ways in which or through which said improvements are to be installed, on a front foot, i.e., a frontage, basis; provided, that the total cost of improving intersections, installing storm drains, and the extra width of pavement on arterial streets (Pembroke Drive, Piping Rock Drive and Hidden Valley Drive), which will not be paid from other funds will be assessed proportionately on a frontage (i.e., front foot) basis against all tracts to be assessed in that particular assessment unit, i.e., tracts abutting that portion of any street being improved in the District; provided, that an equitable adjustment will be made for assessments levied against any irregular lots or lands so that the assessments according to benefits are equal and uniform. The portion of the costs to be assessed against, and the maximum amount of benefits estimated to be conferred upon each piece or parcel of property shall be as stated in the aforesaid assessment plat.

Regardless of the basis used for apportioning assessments, in cases of wedge or V or any other irregular shaped tracts, an amount apportioned thereto shall be in proportion to the special benefits thereby derived.

Section 5. That the District shall constitute one construction unit with one construction contract.

Section 6. That the Engineer is hereby authorized to advertise for doing the work and making the improvements, once a week for three consecutive weeks by three weekly insertions in the Reno Evening Gazette, a daily newspaper published in Reno, Nevada, and of general circulation in the County. The first insertion shall be at least fifteen days prior to the time set for acceptance of bids, and at least fourteen days shall intervene between the time of the first and last publications. The notice shall be in substantially the same form as that set out in the contract specifications and documents.

Section 7. That all action, proceedings, matters and things heretofore taken, had and done by the County and the officers thereof (not inconsistent with the provisions of this ordinance), concerning the District, including, but not limited to, the performing of all prerequisites to the creation of said District, the acquisition of the improvements, the specially benefited property therein, the sale and issuance of its public improvement bonds, and the levy of assessments for that purpose, be, and the same hereby is, ratified, approved and confirmed.

Section 8. That the officers of the County be, and they hereby are, authorized and directed to take all action necessary or appropriate to effectuate the provisions of this ordinance, including without limiting the generality of the foregoing, the preparation of all necessary documents, legal proceedings, and other items necessary or desirable for the completion of the levying of the assessments for the District and the issuance of the bonds therefor.

Section 9. That all ordinances or resolutions, or parts thereof, in conflict with the provisions of this ordinance, are hereby repealed to the extent only of such inconsistency. This repealer shall not be construed to revive any ordinance or resolution, or part thereof, heretofore repealed.

Section 10. That after the award of the contract for the doing of such work and the furnishing of all necessary materials to the lowest bidder, said Board shall determine the total cost of such work, including incidentals, and assessments shall be levied in accordance with the laws of the State, and said Board shall provide that the assessments may be payable without interest or demand, at the election of the owner, or in ten (10) substantially equal annual installments of principal. The Board shall also provide the time and terms of payment of such assessments and the rate of interest upon deferred payments thereof, which rate shall not exceed seven per centum (7%) per annum, and shall fix penalties to be collected upon delinquent payments.

Section 11. The Board has expressed in a preamble to this ordinance the existence of an emergency, and does hereby find and declare that such emergency does exist, and, consequently, final action shall be taken immediately, and this ordinance shall be in effect from and after its publication as hereinafter provided. After this ordinance is signed by the Chairman and attested and sealed by the Clerk, this ordinance shall be published by its title only, together with the names of the commissioners voting for or against its passage, and with a statement that typewritten copies of said ordinance are available for inspection by all interested parties at the office of the Clerk, such publication to be made in The Reno Evening Gazette, a newspaper published and having general circulation in the County, at least once a week for a period of two (2) weeks by two (2) insertions, pursuant to Section 244.100, Nevada Revised
