Notary Public.

**NOTICE OF COUNTY ORDINANCE**  
Notice is hereby given that Bill No. 257, Ordinance No. 177, entitled "An ordinance of Washoe County, State of Nevada, regulating the construction of mobile home subdivisions, the construction, use and operation of mobile home and recreational vehicle parks" providing penalties for violations thereof and other matters properly relating thereto, was adopted on November 5, 1970, by Commissioner Cunningham, Sauer, McKisick, McKenzie and Coppa, all voting aye.  
Typewritten copies of the Ordinance are available for inspection by all interested persons at the office of the County Clerk.  
H. K. BROWN, County Clerk  
331340--Notice Nov. 10-17

 RICHARD J. TAYLOR  
Notary Public — State of Nevada  
Washoe County  
My Commission Expires Jan. 22, 1971

SUMMARY: Provides regulations for mobile home subdivisions and related matters.

BILL NO. 257

ORDINANCE NO. 177

AN ORDINANCE OF WASHOE COUNTY, STATE OF NEVADA, REGULATING THE CONSTRUCTION OF MOBILE HOME SUBDIVISIONS, THE CONSTRUCTION, USE AND OPERATION OF MOBILE HOME AND RECREATIONAL VEHICLE PARKS: PROVIDING PENALTIES FOR VIOLATIONS HEREOF AND OTHER MATTERS PROPERLY RELATING THERETO.

THE BOARD OF COUNTY COMMISSIONERS OF WASHOE COUNTY DO ORDAIN:

Section 1. Purpose and scope.

The purpose of this ordinance is to promote the public health, safety and general welfare by establishing minimum standards for all mobile home and recreational vehicle parks and mobile home subdivisions hereafter erected within the unincorporated area of Washoe County, Nevada.

Section 2. Definitions.

1. The following words have in this ordinance the significance attached to them in this section, unless otherwise apparent from the context.

Accessory Building: A subordinate building on the same lot with a principal building or use, the use of which is customarily incidental to the main building or use. When attached to the principal building, the accessory building shall be required to maintain the same yard setbacks as those of the principal building.

Automobile Parking Area: A fully accessible space for the parking of an automobile; each such area shall be a minimum of 8 feet by 20 feet exclusive of driveways or aisles.

Building Department: The officer, department or agency of Washoe County charged with the enforcement of the provisions of all ordinances and regulations pertaining to the erection, construction, reconstruction, alteration, conversion, movement, arrangement, or use of buildings or structures within Washoe County.

Building, Central Accessory: A structure housing toilet, lavatory, and such other facilities as required or permitted by ordinance.

Building, Principal: A building or group of buildings, including a mobile home, within which is conducted the principal use of the lot on which the building is located.

(1)

Ord. 177

Cabana: Any portable, demountable, or permanent cabin, room, enclosure, or other building erected, constructed, or placed on any mobile home lot, mobile home space, or recreational vehicle space within six feet of any principal building.

Carport: An accessory building having one or more open sides, used by occupants of a mobile home park, recreational vehicle park, or mobile home subdivision for the parking of an automobile.

Mobile Home:

- (a) A structure, intended for use as a dwelling, 8 feet or greater in width and 28 feet or greater in length, designed to be movable but not self-motive.
- (b) Dependent Mobile Home: A mobile home without internal sanitary facilities.
- (c) Independent Mobile Home: A mobile home having all sanitary facilities built in as a permanent part of the structure.

Mobile Home Lot: A portion of land within a mobile home subdivision used or intended to be used for parking of one mobile home, including required yards and parking area, attached or detached accessory buildings, and open space.

Mobile Home Subdivision: A subdivision of land, platted in conformance to N.R.S. 278 and applicable Washoe County ordinances for the purpose of providing mobile home lots.

Mobile Home Space: A portion of land within a mobile home park used or intended to be used for the parking of one mobile home, including required yards and parking area, attached or detached accessory buildings, and open space.

Mobile Home Park: A parcel or tract of land having as its principal use the rental, leasing or occupancy of space by two or more mobile homes on a permanent or semi-permanent basis, including accessory buildings, or uses customarily incidental thereto.

Ramadas: Any roof, or shade structure, installed, erected or used above a mobile home, recreational vehicle, lot, space, or portion thereto.

Recreational Vehicle:

- (a) Camping Trailer: A folding structure usually made of canvas, mounted on wheels and designed for travel, recreation, and vacation use.

(2)

- (b) Motor Home: A portable, temporary dwelling used for travel, recreation and vacation, constructed as an integral part of a self-propelled vehicle.
- (c) Pickup Coach: A structure designed to be mounted on a truck chassis for use as a temporary dwelling for travel, recreation and vacation.
- (d) Travel Trailer: A vehicular, portable structure built on a chassis, designed to be used as a temporary dwelling for travel, recreation and vacation use; having a body width not exceeding 8 feet, body length not exceeding 32 feet.

Recreational Vehicle Space: A portion of land within a recreational vehicle park used or intended to be used for the transient parking of one recreational vehicle, including permitted accessory uses and structures.

Recreational Vehicle Park: A parcel or tract of land, having as its principal use the transient rental or occupancy of space by two or more recreational vehicles, including accessory buildings, structures, or uses customarily incidental thereto.

Sanitary Station: A facility used for removing and disposing of wastes from recreational vehicle holding tanks.

Temporary Parking of Mobile Home: Any specified length of time less than twelve months.

### Section 3. Mobile Home Subdivisions.

1. All mobile home subdivisions shall be subject to issuance of a Special Use Permit, following review by the Regional Planning Commission. Applications and procedures shall be in the manner provided by Ordinance No. 57. Additionally, such subdivisions shall comply with Chapter 278 of Nevada Revised Statutes, the subdivision and other applicable ordinances and regulations of Washoe County, and any regulations of the Nevada State Health Department.

#### 2. Minimum Standards.

##### 1. Uses Permitted:

- (a) One mobile home per lot or site.
- (b) Accessory buildings.
- (c) Community recreational buildings and facilities.

2. Uses Prohibited: Any permanent residential structure.
3. Development Requirements:
  - (a) Minimum overall area: 2 acres.
  - (b) Maximum density:
    - (1) On land without a community sewer, but with a collective system satisfactory to the Nevada State and Washoe County Health Departments: 8 mobile home lots per acre.
    - (2) On land with a community sewer system satisfactory to the Nevada State and Washoe County Health Departments: None.
  - (c) Maximum building height: Same as underlying zone.
  - (d) Minimum lot area: 2,800 square feet.
  - (e) Minimum lot width: 40 feet.
  - (f) Minimum setback from bordering public street line: 15 feet.
  - (g) Minimum setback from internal street: 5 feet.
  - (h) Minimum setback from exterior boundary of subdivision: 5 feet.
  - (i) Minimum distance between mobile home sides or side and end: 20 feet. Between ends: 10 feet.
  - (j) Expandable sections of a mobile home or attached accessory building shall be considered a part of the mobile home proper for setback requirements.
4. Street System:
  - (a) All mobile home lots shall be provided with safe and convenient vehicular access from public or private streets. Alignment and gradient of streets shall be properly adapted to topography.
  - (b) Street surfacing: All streets shall be paved and drained in an approved manner, with a minimum two inches asphalt; four inches base.
  - (c) Access to mobile home subdivisions shall be designed to minimize congestion and traffic hazards and provide for safe movement of traffic at the entrance or exits to adjoining streets.

- (d) Where two off-street automobile parking areas are provided on each mobile home lot, streets shall have a paved section not less than 24 feet in width and a right of way of not less than 24 feet. Where off-street automobile parking areas are not provided on each mobile home lot, streets shall have a paved section not less than 32 feet in width and a right of way of not less than 32 feet.
  - (e) All streets shall be properly signed and lighted at night with at least the equivalent of a 50 watt lamp for each 100 lineal feet of street, or guard light each 300 feet.
  - (f) When appropriate, adequate provisions for snow removal and snow storage areas shall be provided.
5. Off-Street Automobile Parking Requirements:
- (a) Where subdivision streets are less than 32 feet in width, each mobile home lot shall have a designated minimum of two off-street parking areas.
  - (b) Where subdivision streets are less than 32 feet in width, provision shall be made for guest parking at not less than one guest automobile parking area for each six mobile home lots.
  - (c) Where subdivision streets are less than 32 feet in width, no on-street parking shall be allowed.
6. General Requirements:
- (a) All vehicle parking spaces and driveways shall be paved.
  - (b) Exposed ground surfaces in all other parts of a mobile home subdivision shall be covered with stone screening or other material or protected with a vegetative growth, either of which is capable of preventing soil erosion and eliminating objectionable dust.
  - (c) All mobile home subdivisions shall have at least one recreation area or open space accessible from all lots; the cumulative size of which recreation area shall be not less than 2-1/2 percent of the gross mobile home subdivision area. It shall be landscaped as per plans approved as part of Special Use Permit.
  - (d) When included, pedestrian ways shall have a minimum width of 3 feet and shall be appropriately surfaced.

- (e) Water supply: An accessible, adequate, safe, and potable supply of water for domestic purposes shall be provided to each mobile home lot. Such supply of water shall be in conformance to any applicable statutes and ordinances and any regulations of the Nevada State and Washoe County Health Departments.
- (f) Sewage facilities: An adequate and safe sewer system shall be provided to each mobile home lot. Such sewersystem shall be in conformance to any applicable statutes and ordinances and any regulations of the Nevada State and Washoe County Health Departments.
- (g) Refuse and garbage: Storage, collection and disposal of garbage and refuse shall be in conformance to any applicable statutes and ordinances and any regulations of the Nevada State and Washoe County Health Departments.
- (h) Fuel supply and storage: Installation of liquified petroleum gas or fuel oil containers within a mobile home subdivision shall be in conformance to any applicable statutes and ordinances, any regulations of the Nevada State or Washoe County Health Departments, and to the satisfaction of the chief of the applicable fire protection agency.
- (i) Fire protection: In every mobile home subdivision there shall be installed and maintained fire hydrants, and fire extinguishers of the number and size, and in such locations as may be required by the chief of the applicable fire protection agency.
- (j) Fences: Mobile home subdivisions shall be fenced with a solid view-screening fence not more than six feet nor less than four feet in height around the entire boundary of the subdivision.
- (k) Variations: The Planning Commission, as part of Special Use Permit procedure, may vary the above requirements in its recommendation to the Board of County Commissioners.

Section 4. Mobile Home Parks.

1. All mobile home parks shall be subject to issuance of a Special Use Permit, following review by the Board of Adjustment. Applications and procedures shall be in the manner provided by Ordinance No. 57. Additionally, mobile home parks shall comply with any applicable statutes and ordinances and any regulations of the Nevada State and Washoe County Health Departments.

2. Minimum Standards:

## (1) Uses Permitted:

- (a) One mobile home per space.
- (b) One carport, cabana, ramada or patio and one detached storage room per mobile home.
- (c) Community recreation buildings and facilities, laundry, car wash, boat or storage facilities serving the mobile home park only.
- (d) Management offices and/or one single family dwelling, or mobile home, used exclusively for living quarters by the operator or manager of the park.

## (2) Development Requirements:

- (a) Minimum overall area: 5 acres.
- (b) Maximum density:
  - (1) On land without a community sewer, but with a collective system satisfactory to the Nevada State and Washoe County Health Departments: 8 mobile home spaces per acre.
  - (2) On land with a community sewer system satisfactory to the Nevada State and Washoe County Health Departments: None.
- (c) Maximum building height: Same as underlying zone.
- (d) Minimum net space area per mobile home: 2,000 square feet.
- (e) Minimum net mobile home space width: 25 feet.
- (f) Minimum setback of any building or mobile home from a bordering public street line: 15 feet.
- (g) Minimum front setback from internal street: 5 feet.
- (h) Minimum setback line from the exterior boundary line of the mobile home park: 5 feet.
- (i) Minimum distance between mobile home sides or side and end: 15 feet; between ends: 10 feet.
- (j) Expandable sections of a mobile home or attached accessory building should be considered a part of the mobile home proper for setback requirements.

(7)

## (3) Street System:

- (a) All mobile home spaces shall be provided with safe and convenient vehicular access from public or private streets. Alignment and gradient of streets shall be properly adapted to topography.
- (b) Street surfacing: All streets shall be paved and drained in an approved manner with a minimum two inches asphalt; four inches base.
- (c) Access to mobile home parks shall be designed to minimize congestion and traffic hazards and provide for safe movement of traffic at the entrance or exits to adjoining streets.
- (d) Where two off-street automobile parking areas are provided on each mobile home space, streets shall have a paved section not less than 24 feet in width and a right of way of not less than 24 feet. Where off-street automobile parking areas are not provided on each mobile home space, streets shall have a paved section not less than 32 feet in width and a right of way of not less than 32 feet.
- (e) All streets shall be properly signed and lighted at night with at least the equivalent of a 50 watt lamp for each 100 lineal feet of street, or guard light each 300 feet.
- (f) When appropriate, adequate provisions for snow removal and snow storage areas shall be provided.

## (4) Off-Street Automobile Parking Requirements:

- (a) Where streets are less than 32 feet in width, each mobile home space shall have a designated minimum of two off-street parking areas.
- (b) Where streets are less than 32 feet in width, provision shall be made for guest parking at not less than one guest automobile parking area for each six mobile home spaces.
- (c) Where streets are less than 32 feet in width, no on-street parking shall be allowed.

## (5) General Requirements:

- (a) All vehicle parking spaces and driveways shall be paved.

(8)

- (b) Exposed ground surfaces in all other parts of a mobile home park shall be covered with stone screening or other material or protected with a vegetative growth, either of which is capable of preventing soil erosion and eliminating objectionable dust.
- (c) All mobile home parks shall have at least one recreation area or open space accessible from all spaces; the cumulative size of which recreation area shall be not less than 2-1/2 percent of the gross mobile home park area. Parks catering to family use would be expected to provide larger recreation areas and adequate playgrounds. It shall be landscaped as per plans approved as part of Special Use Permit.
- (d) When included, pedestrian ways shall have a minimum width of 3 feet and shall be appropriately surfaced.
- (e) Water supply: An accessible, adequate, safe, and potable supply of water for domestic purposes shall be provided to each mobile home space. Such supply of water shall be in conformance to any applicable statutes and ordinances and any regulations of the Nevada State and Washoe County Health Departments.
- (f) Sewage facilities: An adequate and safe sewer system shall be provided to each mobile home space. Such sewer system shall be in conformance to any applicable statutes and ordinances and any regulations of the Nevada State and Washoe County Health Departments.
- (g) Refuse and garbage: Storage, collection, and disposal of garbage and refuse shall be in conformance to any applicable statutes and ordinances and any regulations of the Nevada State and Washoe County Health Departments.
- (h) Fuel supply and storage: Installation of liquified petroleum gas or fuel oil containers within a mobile home park shall be in conformance to any applicable statutes and ordinances, any regulations of the Nevada State or Washoe County Health Departments, and to the satisfaction of the chief of the applicable fire protection agency.
- (i) Fire protection: In every mobile home park there shall be installed and maintained fire hydrants, and fire extinguishers of the number and size, and in such locations as may be required by the chief of the applicable fire protection agency.

- (j) Fences: Mobile home parks shall be fenced with a solid view-screening fence not more than six feet nor less than four feet in height around the entire boundary of the park.
- (k) Management: The holder of a valid Washoe County business license for the operation of a mobile home park shall be responsible for compliance with this ordinance and any other applicable ordinance or statute. He shall maintain the mobile home park in a neat, orderly and sanitary condition at all times. Register: The license holder shall be responsible for maintaining a register of the occupants of the park, such register to indicate the following:
- (1) The name and occupation of each occupant.
  - (2) The make, model and year of all motor vehicles and trailer coaches.
  - (3) The license number and year of license and owner of each trailer coach and motor vehicle parked or stored in the trailer coach park.
  - (4) The State issuing such licenses.
  - (5) The dates of arrival and departure of each trailer coach.
- (l) Plan: A copy of the final approval plan for the mobile home park shall be conspicuously posted on the site and the license holder shall be responsible for maintenance of the park as per the final approved plan.

Section 5. Recreational Vehicle Parks.

1. All recreational vehicle parks shall be subject to issuance of a Special Use Permit, following review by the Board of Adjustment. Applications and procedures shall be in the manner provided by Ordinance No. 57. Additionally, mobile home parks shall comply with any applicable statutes and ordinances and any regulations of the Nevada State and Washoe County Health Department.

2. Minimum Standards:(1) Uses Permitted:

- (a) Recreational vehicles.
- (b) Cabana, ramada, or patio, and one detached storage room per recreational vehicle space.
- (c) Community recreation buildings and facilities, laundry, car and trailer wash, battery charging station, water fill-up, boat or storage facilities serving the recreational vehicle park only.
- (d) Management offices and/or one single family dwelling, or mobile home, used exclusively for living quarters by the operator or manager of the park.

(2) Development Requirements:

- (a) Minimum overall area: 2 acres.
- (b) Maximum density:
  - (1) On land without a community sewer, but with a collective system satisfactory to the Nevada State and Washoe County Health Departments: 8 recreational vehicle spaces per acre.
  - (2) On land with a community sewer system satisfactory to the Nevada State and Washoe County Health Departments: None.
- (c) Maximum building height: Same as underlying zone.

- (d) Minimum net space area per recreational vehicle: 690 square feet.
- (e) Minimum net recreational vehicle space width: 23 feet.
- (f) Minimum setback of any building or recreational vehicle from a bordering public street line: 15 feet.
- (g) Minimum front setback from internal street: 5 feet
- (h) Minimum setback line from the exterior boundary line of the recreational vehicle park: 5 feet.
- (i) Minimum distance between recreational vehicle sides or side and end: 15 feet; between ends: 10 feet.

(3) Street System:

- (a) All recreational vehicle spaces shall be provided with safe and convenient vehicular access from public or private streets. Alignment and gradient of streets shall be properly adapted to topography.
- (b) Street surfacing: All streets shall be paved and drained in an approved manner with a minimum two inches asphalt; four inches base.
- (c) Access to recreational vehicle parks shall be designed to minimize congestion and traffic hazards and provide for safe movement of traffic at the entrance or exits to adjoining streets.
- (d) Streets provided for two-way traffic shall have a paved section not less than 24 feet in width and a right of way of not less than 24 feet. Streets provided for one-way traffic shall have a paved section not less than 12 feet in width and a right of way of not less than 12 feet.
- (e) All streets shall be properly signed and lighted at night with at least the equivalent of a 50 watt lamp for each 100 lineal feet of street, or guard light each 300 feet.
- (f) When appropriate, adequate provisions for snow removal and snow storage areas shall be provided.

(4) General Requirements:

- (a) All vehicle parking spaces and driveways shall be paved.

- (b) Exposed ground surfaces in all other parts of a recreational vehicle park shall be paved or covered with stone screening or other material or protected with a vegetative growth, any of which are capable of preventing soil erosion and eliminating objectionable dust.
- (c) All recreational vehicle parks shall have at least one recreation area or open space accessible from all spaces; the cumulative size of which recreation area shall be not less than 2-1/2 percent of the gross recreational vehicle park area. It shall be landscaped as per plans approved as part of Special Use Permit.
- (d) When included, pedestrian ways shall have a minimum width of 3 feet and shall be appropriately surfaced.
- (e) Service facilities: All recreational vehicle parks shall provide restroom and bath facilities in conformance to regulations of the Nevada State and Washoe County Health Departments. Additionally, all recreational vehicle parks shall provide sanitary stations for the discharge of vehicle retention tanks, such stations to be in conformance with any applicable statutes and ordinances and any regulations of the Nevada State and Washoe County Health Department.
- (f) Water supply: An accessible, adequate, safe, and potable supply of water for domestic purposes shall be provided within 100 feet of each recreational vehicle space. Such supply of water shall be in conformance to any applicable statutes and ordinances and any regulations of the Nevada State and Washoe County Health Departments.
- (g) Sewage facilities: An adequate and safe sewer system shall be provided in each recreational vehicle park. Such sewer system shall be in conformance to any applicable statutes and ordinances and any regulations of the Nevada State and Washoe County Health Departments.
- (h) Refuse and garbage: Storage, collection, and disposal of garbage and refuse shall be in conformance to any applicable statutes and ordinances and any regulations of the Nevada State and Washoe County Health Departments.

- (i) Fuel supply and storage: Installation of liquified petroleum gas or fuel oil containers within a recreational vehicle park shall be in conformance to any applicable statutes and ordinances, any regulations of the Nevada State or Washoe County Health Departments, and to the satisfaction of the chief of the applicable fire protection agency.
- (j) Fire protection: In every recreational vehicle park there shall be installed and maintained fire hydrants, and fire extinguishers of the number and size, and in such locations as may be required by the chief of the applicable fire protection agency.
- (k) Fences: Recreational vehicle park shall be fenced with a solid view-screening fence not more than six feet nor less than four feet in height around the entire boundary of the park.
- (l) Management: The holder of a valid Washoe County business license for operation of a recreational vehicle park shall be responsible for compliance with this ordinance and any other applicable ordinance or statute. He shall maintain the recreational vehicle park in a neat, orderly and sanitary condition at all times.  
Register: The license holder shall be responsible for maintaining a register of the occupants of the park, such register to indicate the following:
  - (1) The name and occupation of each occupant.
  - (2) The make, model and year of all motor vehicles and trailer coaches.
  - (3) The license number and year of license and owner of each trailer coach and motor vehicle parked or stored in the trailer coach park.
  - (4) The state issuing such licenses.
  - (5) The dates of arrival and departure of each trailer coach.
- (m) Plan: A copy of the final approved plan for the recreational vehicle park shall be conspicuously posted on the site and the license holder shall be responsible for maintenance of the park as per the final approved plan.

Section 6. General.

- A. Permits, Licenses and Fees:
  - 1. All mobile home parks and recreational vehicle parks shall obtain a permit issued by the Board of County Commissioners.

2. Application for such permit shall be submitted to the Building Department on forms supplied by that department and shall contain such information as may be required by that department. All such applications shall be accompanied by a fee in the sum of \$\_\_\_\_\_ plus \$\_\_\_\_\_ per each mobile home or recreational vehicle space.
3. All mobile home parks and recreational vehicle parks shall obtain those permits and licenses required by other Washoe County Ordinances or state statutes.
4. Permits shall be posted in a prominent place on the applicable premises.

B. Location Outside Parks:

1. Parking of any mobile home or recreational vehicle outside a mobile home park or recreational vehicle park or a mobile home subdivision, when such mobile home or recreational vehicle is used for dwelling or sleeping purposes, shall be unlawful.
2. Nothing herein shall be deemed to prohibit the storage of a mobile home or recreational vehicle on the premises of its owner when not used for dwelling or sleeping purposes.
3. Revocation of Permit: Permits may be revoked by the Board of County Commissioners, following reasonable notice and hearing, for failure to comply with requirements of this ordinance.
4. Nothing herein shall remove the obligation of compliance with any other applicable ordinance or statute.
5. Provisions of this ordinance shall apply to those mobile home subdivisions, mobile home parks, and recreational vehicle parks constructed after the effective date of this ordinance. This ordinance does not apply to existing parks or resales of existing parks, except in the case of remodeling when that portion of the park being remodeled shall comply with the provisions of this ordinance.

Section 7. Nuisances. No owner or person in charge of any dog, cat or other pet animal shall permit it to run at large or commit any nuisance within the limits of any trailer coach park.

Section 8. Exemptions.

- A. Nothing in this ordinance shall be construed to include the county parks of Washoe County.
- B. Nothing in this ordinance shall in any way limit the power of any municipal corporation to prescribe by ordinance for the regulation of sanitary conditions in trailer coach parks located therein.

Section 9. Applicability of ordinance to existing trailer coach parks.

All trailer coach parks duly licensed as such by Washoe County in existence on the effective date of this ordinance shall be considered as conforming in all respects with the provisions of this ordinance and permits herein provided for shall be issued by the proper authority.

Section 10. Violations and penalties.

- A 1. It shall be unlawful for any person to violate any provisions or to fail to comply with any requirements of this ordinance.
- B 2. Any person violating any of the provisions of this ordinance shall be guilty of a misdemeanor and upon conviction thereof shall be punished by a fine not to exceed \$500 or by imprisonment in the county jail for a period of not to exceed 6 months, or by both such fine and imprisonment.
- C 3. Each such person shall be guilty of a separate offense for each and every day during any portion of which a violation of any provisions of this ordinance is committed, continued or permitted by such person.

Section 11. Invalidity. In the event that any section, subsection or portion of this ordinance shall be declared invalid by any competent court, such declaration of invalidity shall not affect the validity of the remaining portions of this ordinance.

Section 12. This Ordinance shall be in full force and effect from and after its passage, approval and publication pursuant to NRS 244.100.

Proposed on the 26th day of October, 1970.
