WHEREAS, it is incumbent upon the Board to provide when said assessments shall become due and the penalties payable after any delinquency.

NOW, THEREFORE, THE BOARD OF COUNTY COMMISSIONERS OF THE COUNTY OF WASHOE, IN THE STATE OF NEVADA, DO ORDAIN:

Section 1. This ordinance shall be known as, and may be cited by, the short title "Washoe County, Nevada, Special Assessment District No. 6 (Old Washoe Estates)" (herein the "ordinance").

Section 2. The Board has heretofore determined and does hereby declare, that each and every complaint, protest and objection made in connection with the District is without sufficient merit and the same be, and the same hereby is, overruled, and finally passed on by the Board, except as provided in the Protest Resolution.

Section 3. All consistent action taken previously by the County and the officers thereof directed toward the Project and toward performing all prerequisites to levying special assessments and to fixing the assessment lien against the property in the District, be, and the same hereby is, ratified, approved and confirmed.

Section 4. For the purpose of paying a portion of the costs and expenses of the Project, there are hereby levied and assessed against the lots, tracts and parcels of land in the District (being all those specially benefited by said potable water improvements) and described in the assessment roll for the District, as filed in the office of the County Clerk on September 17, 1985, and as modified and confirmed by the Protest

Resolution duly adopted by said Board on October 15, 1985 the amounts and assessments shown in the assessment roll (as so filed, modified and confirmed).

Section 5. The assessments shall be due and payable at the office of the County Treasurer within 30 days after this ordinance becomes effective, without interest and without demand; provided, that all or any part of such assessments may, at the election of the owner, be paid in installments, with interest, as hereinafter provided. Failure to pay the whole assessment within said period of 30 days shall be conclusively considered and held an election on the part of all persons interested, whether under disability or otherwise, to pay in installments the amount of the assessment then unpaid. In case of such election to pay in installments, the unpaid assessments shall be payable in 3 substantially equal annual installments of principal until paid in full, with interest in all cases on the unpaid and deferred installments of principal from the effective date of this assessment ordinance, at a rate or rates to be fixed by resolution of the Board, which rate shall, if assessment bonds are issued, not exceed by more than one percent the rate of interest on such assessment bonds issued for the District, both principal and interest on such assessments being payable annually at the office of said County Treasurer of Washoe County on February 1 in each year, commencing on February 1, 1986. The effective interest rate on the assessment bonds of the District, if any, will not exceed the statutory maximum rate, i.e., will not exceed by more than three percent (3%) the "Index of Twenty Bonds" which is most recently published in "Credit Markets" before the time bids for such bonds are received, or at the time a negotiated offer for such bonds is accepted. Failure to pay any assessment installment, whether of principal or interest, when due, shall cause the whole amount of the unpaid principal to become due and payable immediately, at the option of the County, the exercise of said option to be indicated by the commencement of foreclosure

proceedings by the County; and the whole amount of the unpaid principal and accrued interest shall, after such delinquency, whether said option is or is not exercised, bear penalty at the rate of one percent (2%) per month until the day of sale or until paid, but at any time prior to the date of the sale the owner may pay the amount of all delinquent installments originally becoming due on or before the date of said payment, with interest thereon, and all penalties accrued, and shall thereupon be restored to the right thereafter to pay in installments in the same manner as if default had not been suffered. The owner of any property assessed and not in default as to any installment or payment may, at any time (at the option of such owner), pay the whole or any annual installment of the unpaid principal with interest accruing thereon to the next interest payment date. If such prepayment takes place before the adoption of the aforementioned resolution establishing the rate of interest on deferred installments of assessments, such interest accruing thereon to the next interest payment date shall be calculated at 8 percent (8%) per annum (i.e., the rate of interest on the construction financing for the District plus one percent (0.375%).

Section 6. The amounts assessed as aforesaid shall be a lien upon said lots, tracts and parcels of land from the effective date of this ordinance (i.e., November 25, 1985) until paid, co-equal with the latest lien thereon to secure the payment of general taxes and prior and superior to all other liens, claims, encumbrances and titles (other than the liens of assessments and general taxes). The sale of any such lot, tract or parcel of land for general or other taxes shall not relieve such lot, tract or parcel of land from such assessment or the lien therefor. Such amounts shall continue to be a lien upon the lots, tracts and parcels of land assessed until paid in full (including all principal and the interest thereon, and any penalties and collection costs).

Section 7. In case any such lot, tract or parcel of land so assessed is delinquent in the payment of such assessment or any installment of principal or interest, the Board shall forthwith cause the original purchaser or purchasers of the bonds, if any, issued in connection with this Special Assessment District No. 6 (Old Washoe Estates) and any person, partnership and corporation hereafter designated in writing by the original purchaser or purchasers or its successors, as representatives of the owner or owners of the bonds to be hereafter authorized to be issued by ordinance (such bond ordinance to definitely designate said original purchaser or purchasers), and the owner of such delinquent property, if known, to be immediately notified in writing of such delinquency, by first-class mail, postage prepaid, addressed to the addressee's last-known address; and if such delinquency shall not be paid within 10 days after such notice shall have been given by deposit in the United States mail, then said assessment shall be enforced by the County Treasurer of Washoe County and other officers of said County, as provided by law with the other taxes in the general assessment roll of said County, and in the same manner. Nothing herein shall be construed as preventing Washoe County from collecting any assessment by suit in the name of the governing body; and the assessment roll and the certified copy of this ordinance shall be prima facie evidence of the regularity of the proceedings in making the assessment and of the right to recover judgment therefor. If said foreclosure be not promptly filed and prosecuted, then any bondholder may file and prosecute said foreclosure action in the name of said County. Any bondholder may also proceed against the County to protect and enforce the rights of the bondholders under this ordinance by suit, action or special proceedings in equity or at law, either for the to appointment of a receiver or for the specific performance of any provision contained herein or in an award of execution of any power herein granted for the enforcement of any proper, legal or equitable remedy as such bondholder or bondholders may deem most

effectual to protect and enforce the rights aforesaid. All such proceedings at law or in equity shall be instituted, had and maintained for the equal benefit of all holders of the bonds and coupons then outstanding. The failure of the bondholders so to foreclose such delinquent assessments, or so to proceed against the County, or both, shall not relieve the County or any of its officers, agents or employees of any liability for its failure so to foreclose such delinquent assessments.

Section 8. The County Clerk is hereby directed to deliver to the County Assessor and County Treasurer of Washoe County a copy of the final assessment roll containing a description of the lots, tracts and parcels of land being assessed, with the amount of the assessment levied upon each and the name and address of the owner or owners against whom the assessment was made; and said County Treasurer is additionally directed to collect the several sums so assessed as a tax upon the several tracts to which they were assessed.

Section 9. In accordance with NRS 271.405(7) the County Clerk or Deputy County Clerk shall give written notice of the 30-day cash payment period stating that said assessments are due and payable and their last day for payment without interest as provided in the form of notice in Section 10 hereof, and contained in accordance with NRS 271.390(2) a written notice of the levy of assessments shall also be given with such notice of the 30-day cash payment period. Such notice in accordance with NRS 271.405(7) and NRS 271.390(2) shall be given by mailing a copy of the notice provided in Section 10 hereof, postage prepaid, at least 20 days prior to the end of said 30-day period, to the owner or owners of all property upon which the assessment was levied at his or her last-known address or addresses. Proof of such mailing shall be made by the affidavit of the County Clerk or Deputy County Clerk and such proof shall be filed with the County Clerk, provided, however, that failure to mail any such notice or notices shall not invalidate any assessment or any other proceedings concerning said District. In

accordance with NRS 271.405(7) the County Clerk may also give notice by publication in the Reno Gazette-Journal, a newspaper of general circulation in the County, and published at least once a week, for three consecutive publications, by three weekly insertions, the first such publication to be at least 15 days prior to the end of the 30-day period stating that said assessments have been levied and are due and payable and the last day for their payment. It shall not be necessary that the notice be published on the same day of the week, but not less than 14 days shall intervene between the first publication and the last publication. Such notice by publication shall be verified by the affidavit of the publishers and filed with the County Clerk of said County. Proof of the publication, if any, and proof of the mailing shall be maintained in the permanent records of the office of the County Clerk until all special assessments and special assessment bonds issued (if such special assessment bonds are hereafter issued) shall have been paid in full, both principal and interest, or until any claim is barred by an appropriate statute of limitations. The Board hereby determines that the manner of giving notice by mail herein provided is reasonably calculated to inform the parties of the proceedings concerning the District and the levy of assessments which may directly and adversely affect their legally protected interests.

Section 10. The notice provided for in NRS 271.390(2) and NRS 271.405(7) and in Section 9 of this ordinance shall be substantially the following form:

## (Form of Notice)

NOTICE TO PROPERTY OWNERS OF THE LEVY OF ASSESSMENTS FOR  
WASHOE COUNTY, NEVADA, SPECIAL ASSESSMENT DISTRICT NO. 6  
(OLD WASHOE ESTATES)

NOTICE IS HEREBY GIVEN to the owners of all property upon which an assessment has been levied, and other interested persons that, by Ordinance No. \_\_\_\_\_, duly passed, adopted, signed and approved on November 12, 1985 (the "Assessment Ordinance"), there were levied and assessed against the lots, tracts and parcels of land specially benefited by the local improvements in what is commonly designated as "Washoe County, Nevada, Special Assessment District No. 6 (Old Washoe Estates)" (said lots, tracts and parcels being more specifically described in the assessment roll designated in the ordinance), the cost and expense of such improvements.

Assessments are due and payable at the Office of the County Treasurer of Washoe County, in Reno, Nevada, on or before December 26, 1985, being 30 days after the effective date of the assessment ordinance, without interest and without demand, provided that all, or any part of such assessments may, at the election of the owner, be paid in installments, with interest as hereinafter provided. Failure to pay the whole assessment within the 30-day period will be conclusively considered and held an election on the part of all persons interested, whether under disability or otherwise, to pay the unpaid assessment in installments. In case of such election to pay in installments, the unpaid assessments will be payable in three (3) substantially equal annual installments of principal until paid in full, with interest in all cases on the unpaid and deferred installments of principal from November 25, 1985 (i.e., the effective date the assessment ordinance), both principal and interest being payable annually at the office of the County Treasurer of Washoe County, Nevada, on February 1, in each year,

commencing on February 1, 1986. The Board has by Resolution (adopted after the adoption of the Assessment Ordinance) established the rate of interest on the unpaid and deferred installments of assessments as being 8% per annum. Failure to pay any assessment installment, whether of principal or interest, when due will cause the whole of the unpaid principal of such assessment to become due and payable immediately at the County's option, and the whole amount of the unpaid principal and accrued interest will, after such delinquency, whether the County's option is or is not exercised, bear penalty at the rate of one percent (1%) per month, until the day of sale or until paid, but at any time prior to the date of the sale, the owner may pay the amount of all delinquent installments originally becoming due on or before the date of payment, with the interest thereon and all penalties accrued, and will thereupon be restored to the right thereafter to pay in installments in the same manner as if default had not been suffered. The owner of any property not in default as to any assessment installment or payment may, at any time, pay the whole or any annual installment of the unpaid principal with interest accruing thereon to the next assessment installment payment date.

Pursuant to NRS 271.395, within the 15 days immediately succeeding the effective date of the assessment ordinance, any person who has filed a complaint, protest or objection in writing shall have the right to commence an action or suit in any court of competent jurisdiction to correct or set aside such determination. Thereafter all actions or suits attacking the regularity, validity and correctness of the proceedings, of the assessment roll, of each assessment contained therein, and of the amount thereof levied on each tract, including, without limiting the generality of the foregoing, the defense of confiscation, shall be perpetually barred.

The amounts assessed as aforesaid constitute a lien upon said lots, tracts and parcels of land from November 25,

1985 (i.e., the effective date of the assessment ordinance), which lien shall be co-equal with the latest lien thereon to secure the payment of general taxes and prior and superior to all other liens, claims, encumbrances and titles (other than the liens of assessments and general taxes). The sale of any such lot, tract or parcel of land for general taxes shall not relieve such lot, tract or parcel of land from such assessment or the lien therefor.

DATED this November 12, 1985.

Section 11. The officers of the County be, and they hereby are, authorized and directed to take all action necessary or appropriate to effectuate the provisions of this ordinance, including without limiting the generality of the foregoing, the preparation of all necessary documents, legal proceedings, and other items necessary or desirable for the completion of the levying of the assessments for the District and the issuance of the bonds therefor.

Section 12. All ordinance or resolutions, or parts thereof, in conflict with the provisions of this ordinance, are hereby repealed to the extent only of such inconsistency. This repealer shall not be construed to revive any ordinance or resolution, or part thereof, heretofore repealed.

Section 13. In accordance with NRS 244.100, this ordinance when first proposed is to be read by title to the Board, immediately after which several copies of the proposed ordinance are to be filed with the office of the County Clerk for public examination; thereafter, the County Clerk is authorized and directed to give notice of the filing together with the total of the ordinance and an adequate summary of the ordinance, and the date upon which a public hearing will be held on such ordinance by publication at least once in the Reno Gazette-Journal, i.e., a newspaper published and having general circulation in the County, at least ten (10) days before the date set for such hearing, i.e., at least ten (10) days before the 12th day of November, 1985, such publication to be in substantially the following form:
