BILL NO. 1249  
 ORDINANCE NO. 1073  
 (of Washoe County, Nevada)

AN ORDINANCE CONCERNING WASHOE COUNTY, NEVADA, SPECIAL ASSESSMENT DISTRICT No. 26 (MATTERHORN DRIVE); ASSESSING THE COST OF STREET IMPROVEMENTS AGAINST THE ASSESSABLE TRACTS OF LAND BENEFITED BY SAID IMPROVEMENTS; DESCRIBING THE MANNER FOR THE COLLECTION AND PAYMENT OF SAID ASSESSMENTS; PROVIDING PENALTY FOR DELINQUENT PAYMENTS; PRESCRIBING DETAILS IN CONNECTION THEREWITH AND OTHER MATTERS RELATING THERETO; AND PROVIDING THE EFFECTIVE DATE HEREOF.

**WHEREAS**, the Board of County Commissioners of the County of Washoe in the State of Nevada (the "Board," "County" and "State," respectively), has heretofore, pursuant to the requisite preliminary proceedings, created Washoe County, Nevada, Special Assessment District No. 26 (Matterhorn Drive) (the "District"), for the purpose of acquiring street improvements (the "Project") and has provided that the entire cost and expense of such street improvements shall be paid by special assessments, according to benefits, levied against the benefited lots, tracts and parcels of land in said District; and

**WHEREAS**, the District has been created by an Ordinance adopted on July 14, 1998, under the provisions of Chapter 271 of NRS, the Consolidated Local Improvements Law; and

**WHEREAS**, the Board has heretofore determined that the cost and expense of the Project is to be paid by special assessments levied against the benefited lots, tracts and parcels of land in said District; and

**WHEREAS**, the Board has heretofore determined and does hereby declare that the net cost to the County of all improvements in said District (including all necessary incidentals which either have been or will be incurred in connection with said District) is \$755,000, which is to be assessed upon the benefited lots, tracts and parcels of land in the District; and

**WHEREAS**, the Board, by a resolution duly adopted on May 11, 1999, directed the County Engineer of the County (the "Engineer") to make out a preliminary assessment roll; and

**WHEREAS**, after determination of the portion of the costs of such work to be paid by the property specially benefited, the Board, together with the Engineer, made out an assessment roll containing, among other things, the names and addresses of the last-known owners of the property to be assessed, or if not known that the name is "unknown", a description of each lot, tract or parcel of land to be assessed, and the amount of the assessment thereon, and the Engineer has reported said assessment roll to the Board and has filed the assessment roll with the County Clerk; and

**WHEREAS**, the Board thereupon fixed a time and place, to-wit, Tuesday, July 13, 1999 at 5:00 p.m., at the Commission Chambers, Washoe County Administration Complex, 1001 E. 9th Street, Reno, Nevada, when all complaints, protests and objections to the assessment roll, to the amount of the assessments, and to the regularity of the proceedings in making such assessments, by the owners of the property specially benefited by, and proposed to be assessed for, the street improvements in said District, by any person interested, and by any parties aggrieved by such assessments, would be heard and considered by the Board; and

**WHEREAS**, the Board caused said assessment roll to be filed in the records of the office of the County Clerk on June 15, 1999; and the Clerk by publication and by mail gave the requisite notice of the time and place of such hearing, of the filing of the assessment roll in her office, of the date of filing the same, and of the right of any such person so to object specifically in writing and of the waiver of any objection in the absence of such objection; and

**WHEREAS**, at the time and place so designated the Board met to hear and determine all objections so filed or made orally by any interested party; and

**WHEREAS**, each written protest and oral complaint, objections and protest was duly considered; and

**WHEREAS**, all complaints, protests and objections, both written and oral, were found to be without sufficient merit and overruled; and

**WHEREAS**, by a resolution duly adopted this July 13, 1999 (the "Assessment Protest Resolution"), the Board if it determined necessary, modified, corrected and revised the assessment roll and, corrected and revised, confirmed the assessment roll to be in final form; and

**WHEREAS**, \$755,000 is to be assessed against the benefited lots, tracts and parcels of land in the District; and

**WHEREAS**, the assessments do not exceed the benefits to the property assessed nor that portion of the total cost of the Project payable from assessments as heretofore determined; and

**WHEREAS**, it is incumbent upon the Board to provide when said assessments shall become due and the penalties payable after any delinquency.

**NOW, THEREFORE, THE BOARD OF COUNTY COMMISSIONERS OF THE COUNTY OF WASHOE, IN THE STATE OF NEVADA, DO ORDAIN:**

Section 1. This ordinance shall be known as, and may be cited by, the short title "Special Assessment District No. 26 (Matterhorn Drive) Assessment Ordinance" (the "Ordinance").

Section 2. The Board has heretofore determined, and does hereby declare, that each and every complaint, protest and objection made in connection with the District is without sufficient merit and the same be, and the same hereby is, overruled, and finally passed on by the Board, except as provided in the Assessment Protest Resolution.

Section 3. All actions, proceedings, matters and things heretofore taken, had and done by the County and the officers thereof (not inconsistent with the provisions of this ordinance) concerning Special Assessment District No. 26, including, but not limited to, the acquisition of the street, storm drainage and sanitary sewer improvements and the validation and confirmation of the assessment roll and the assessments therein, be, and the same hereby are, ratified, approved and confirmed.

Section 4. For the purpose of paying the costs and expenses of the Project, there are hereby levied and assessed against the lots, tracts and parcels of land in the District (being all those specially benefited by said street, storm drainage and sanitary sewer improvements) and described in the assessment roll for the District, as filed in the office of the County Clerk on June 15, 1999, and as modified and confirmed by the Assessment Protest Resolution the amounts and assessments shown in the assessment roll (as so filed, modified and confirmed).

Section 5. The assessments shall be due and payable at the office of the County Treasurer within 30 days after this Ordinance becomes effective, without interest and without demand; provided, that all or any part of such assessments may, at the election of the owner, be paid in installments, with interest, as hereinafter provided. Failure to pay the whole assessment within

said period of 30 days shall be conclusively considered and held an election on the part of person interested, whether under disability or otherwise, to pay in installments the amount of the assessment then unpaid. In case of such election to pay in installments, the unpaid assessments shall be payable in twenty (20) substantially equal semiannual installments which include principal and interest. Interest in all cases on the unpaid and deferred installments of principal will be charged from the effective date of this Ordinance, at a rate or rates which shall not exceed by more than one percent (1%) the highest rate of interest payable on the assessment bonds issued for the District, both principal and interest on such assessments being payable semiannually at the office of said County Treasurer of Washoe County on February 10 and August 10 in each year, commencing on February 10, 2000. After the effective date of this Ordinance and before assessment bonds are issued (or if bonds are not issued) the Board shall by resolution provide the rate of interest on the unpaid and deferred installments of assessments. If assessment bonds are sold, such rate will not exceed by more than one percent (1%) the rate of interest on the assessment bonds for the District. The effective interest rate on the assessment bonds of the District will not exceed the statutory maximum rate, i.e., will not exceed by more than three percent (3%) the "Index of Twenty Bonds" which is most recently published in The Bond Buyer before the time the bids for such bonds are received, or at the time a negotiated offer for the sale of such bonds is accepted. In no event will the interest rate exceed 14% per annum. Failure to pay any installment, whether of principal or interest, when due, shall cause the whole amount of the unpaid principal to become due and payable immediately, at the option of the County, the exercise of said option to be indicated by the commencement of foreclosure proceedings by the County; and the whole amount of the unpaid principal and accrued interest shall, after such delinquency, whether said option is or is not exercised, bear penalty at the rate of two percent (2%) per month, (or at any higher rate authorized by statute) until the day of sale or until paid, but at any time prior to the date of the sale the owner may pay the amount of all delinquent installments originally becoming due on or before the date of said payment, with interest thereon, and all penalties accrued, and shall thereupon be restored to the right thereafter to pay in installments in the same manner as if default had not been suffered. The owner of any property assessed and not in default as to any installment or payment may, at any time (at the option of such owner), pay the whole installment of the unpaid principal with interest accruing thereon to the next interest payment date, together with the payment of a penalty for such prepayment of three percent (3%) of the

principal of the deferred installments so prepaid. The Board may by ordinance or resolution adjust the 2% delinquency penalty and 3% prepayment penalty provided herein any time before bonds are issued.

Section 6. The amounts assessed as aforesaid shall be a lien upon said lots, tracts and parcels of land from the effective date of this Ordinance (i.e. August 10, 1999) until paid, co-equal with the latest lien thereon to secure the payment of general taxes and prior and superior to all other liens, claims, encumbrances and titles (other than the liens of assessments and general taxes). The sale of any such lot, tract or parcel of land for general or other taxes shall not relieve such lot, tract or parcel of land from such assessment or the lien therefor. Such amounts shall continue to be a lien upon the lots, tracts and parcels of land assessed until paid in full (including all principal and the interest thereon, and any penalties and collection costs).

Section 7. In case any such lot, tract or parcel of land so assessed is delinquent in the payment of such assessment or any installment of principal or interest, the Board shall forthwith cause the original purchaser or purchasers of the bonds issued in connection with this Special Assessment District No. 26 (Matterhorn Drive) and any person, partnership and corporation hereafter designated in writing by the original purchaser or purchasers or its successors, as representatives of the owner or owners of the bonds to be hereafter authorized to be issued by ordinance (such bond ordinance to designate definitely said original purchaser or purchasers), and the owner of such delinquent property, if known, to be immediately notified in writing of such delinquency, by first-class mail, postage prepaid, addressed to the addressee's last known address; and if such delinquency shall not be paid within 10 days after such notice shall have been given by deposit in the United States mail, then said assessment shall be enforced by the County, as provided by law with the other taxes in the general assessment roll of said County, and in the same manner. Nothing herein shall be construed as preventing the County from collecting any assessment by suit in the name of the governing body as provided in NRS 271.625, or by the method provided by NRS 271.540 to 271.620 if so ordered by the Board. The assessment roll and the certified copy of this Ordinance shall be prima facie evidence of the regularity of the proceedings in making the assessment and of the right to recover judgment therefor. If said foreclosure be not promptly filed and prosecuted, then any bondowner may file and prosecute said foreclosure action in the name of said County. Any bondowner may also proceed against the County to protect and enforce the rights of the bondowners

under this Ordinance by suit, action or special proceedings in equity or at law, either for the appointment of a receiver or for the specific performance of any provision contained herein or in an award of execution of any power herein granted for the enforcement of any proper, legal or equitable remedy as such bondowner or bondowners may deem most effectual to protect and enforce the rights aforesaid. All such proceedings at law or in equity shall be instituted, had and maintained for the equal benefit of all owners of the bonds then outstanding. The failure of the bondowners so to foreclose such delinquent assessments, or so to proceed against the County, or both, shall not relieve the County or any of its officers, agents or employees of any liability for its failure so to foreclose such delinquent assessments.

Section 8. The County Clerk is hereby directed to deliver to the County Assessor and County Treasurer of Washoe County a copy of the final assessment roll containing a description of the lots, tracts and parcels of land being assessed, with the amount of the assessment levied upon each and the name and address of the owner or owners against whom the assessment was made; and said County Treasurer is additionally directed to collect the several sums so assessed as a tax upon the several tracts to which they were assessed.

Section 9. The County Clerk is hereby directed to deliver to the County Recorder of Washoe County for recordation, a copy of the final assessment roll, endorsed by the Clerk as the roll designated in the assessment ordinance, together with a statement that the current payment status of any of the assessments may be obtained from the County Treasurer who has been directed by the Board to collect the Assessment.

Section 10. In accordance with NRS 271.405 (7), the County Clerk shall give notice by publication in the Reno Gazette-Journal, a newspaper of general circulation in the County, and published at least once a week, for three consecutive publications, by three weekly insertions, the first such publication to be at least 15 days prior to the end of the 30-day period stating that said assessments have been levied and are due and payable and the last day for their payment. It shall not be necessary that the notice be published on the same day of the week, but not less than 14 days shall intervene between the first publication and the last publication. Such service by publication shall be verified by the affidavit of the publishers and filed with the County Clerk of the County. In accordance with NRS 271.390 (2), the County Clerk or Deputy County Clerk must also give written notice of the levy of assessments by mailing a copy of such notice, postage prepaid, at least

20 days prior to the end of said 30 day period, to the owner or owners of all property upon which the assessment was levied at his or her last-known address or addresses. Proof of such mailing shall be made by the affidavit of the County Clerk or Deputy County Clerk and such proof shall be filed with the County Clerk, provided, however, that failure to mail any such notice or notices shall not invalidate any assessment or any other proceedings concerning said District. Proof of the publication and proof of the mailing shall be maintained in the permanent records of the office of the County Clerk until all special assessments and special assessment bonds issued (if such special assessment bonds are hereafter issued) shall have been paid in full, as to both principal and interest, or until any claim is barred by an appropriate statute of limitations. The Board hereby determines that the manner of giving notice herein provided by publication and by mail is reasonably calculated to inform the parties of the proceedings concerning the District and the levy of assessments which may directly and adversely affect their legally protected interests.

Section 11. The notice provided for in NRS 271.390(2) and NRS 271.405 (7) and in Section 10 of this Ordinance shall be in substantially the following form:

(Form of Notice)

NOTICE TO PROPERTY OWNERS OF THE LEVY OF ASSESSMENTS FOR  
IMPROVEMENTS IN WASHOE COUNTY, NEVADA  
SPECIAL ASSESSMENT DISTRICT No. 26 (MATTERHORN DRIVE)

NOTICE IS HEREBY GIVEN to the owners of all property upon which an assessment has been levied, and other interested persons that, by an ordinance duly passed, adopted, signed and approved on July 27, 1999 (the "Ordinance"), there was levied and assessed against the lots, tracts and parcels of land specially benefited by the local improvements in what is commonly designated as "Washoe County, Nevada, Special Assessment District No. 26 (Matterhorn Drive)" (said lots, tracts and parcels of land being more specifically described in the assessment roll designated in said Ordinance), a portion of the cost and expense of such improvements.

Assessments are due and payable at the office of the County Treasurer of Washoe County, in Reno, Nevada, on or before September 9, 1999, being 30 days after the effective date of the Ordinance, without interest and without demand, provided that all, or any part of such assessments may, at the election of the owner, be paid in installments, with interest as hereinafter provided. Failure to pay the whole assessment within the 30-day period will be conclusively considered and held an election on the part of all person interested, whether under disability or otherwise, to pay the unpaid assessment in installments. In case of such election to pay in installments, the unpaid assessments will be payable in twenty (20) substantially equal semiannual installments which include principal and interest. Interest in all cases on the unpaid and deferred installments of principal will be charged from August 10, 1999 (i.e., the effective date the Ordinance), both principal and interest being payable semiannually at the office of the County Treasurer of Washoe County, Reno, Nevada, on February 10 and August 10, commencing on February 10, 2000. After the effective date of the Ordinance and before assessment bonds are issued (or if bonds are not issued), the Board shall by resolution provide the rate of interest on the unpaid and deferred installments of assessments. If assessment bonds are sold, such rate will not exceed by more than one percent (1%) the rate of interest on the assessment bonds issued for the District. The effective interest rate on the assessment bonds of the District will not exceed the statutory

maximum rate, i.e., will not exceed by more than three percent (3%) the "Index of Twenty Bonds" which is most recently published in The Bond Buyer before the bids for such bonds are received, or at the time a negotiated offer for the sale of such bonds is accepted. In no event will the interest rate exceed 14% per annum. Failure to pay any assessment installment, whether of principal or interest, when due will cause the whole amount of the unpaid principal to become due and payable immediately, at the option of the County, the exercise of said option to be indicated by the commencement of foreclosure proceedings by the County; and the whole amount of the unpaid principal and accrued interest will, after such delinquency, whether the County's option is or is not exercised, bear penalty at the rate of two percent (2%) per month, (or at any higher rate authorized by statute) until the day of sale or until paid, but at any time prior to the date of the sale, the owner may pay the amount of all delinquent installments originally becoming due on or before the date of payment, with the interest thereon and all penalties accrued, and will thereupon be restored to the right thereafter to pay in installments in the same manner as if default had not been suffered. The owner of any property not in default as to any assessment installment or payment may, at any time, pay the whole or any semiannual installment of the unpaid principal with interest accruing thereon to the next interest payment date and the payment of a penalty for such prepayment of three percent (3%) of the installment or installments of principal so prepaid.

Pursuant to NRS 271.395, within 15 days after the effective date of the Ordinance, any person who has filed a complaint, protest or objection in writing in the manner provided by NRS 271.380 may commence an action or suit in any court of competent jurisdiction to correct or set aside the determination. Judicial review of the proceedings in any action brought pursuant to NRS 271.395 is limited to any complaint, protest or objection to the assessment roll, the regularity, validity and correctness of each assessment, the amount of each assessment, or the regularity, validity and correctness of any other proceedings occurring after the date of the hearing described in NRS 271.301 and before the date of the hearing governed by NRS 271.385. Thereafter all actions or suits attacking the regularity, validity and correctness of the proceedings, of the assessment roll, of each assessment contained in the assessment roll, and of the amount of the assessment levied on each tract, including the defense of confiscation, are perpetually barred.

The amounts assessed as aforesaid constitute a lien upon said lots, tracts and parcels of land from August 10, 1999 (the effective date of the Ordinance), which lien shall be co-equal with

the latest lien thereon to secure the payment of general taxes and prior and superior to all other liens, claims, encumbrances and titles (other than the liens of assessments and general taxes). The sale of any such lot, tract or parcel of land for general taxes shall not relieve such lot, tract or parcel of land from such assessment or the lien therefor.
