Section 206. Ordinance to Constitute Contract. In consideration of the purchase and acceptance of the Bonds by those who shall own the same from time to time, the provisions of the Ordinance shall be deemed to be and shall constitute a contract between the County and the owners from time to time of the Bonds.

The covenants and agreements of the County herein set forth shall be for the equal benefit, protection and security of the owners of any and all of the Outstanding Bonds all of which, regardless of the time or times of their issue or maturity, shall be of equal rank without preference, priority or distinction, except as otherwise expressly provided in or pursuant to this Ordinance.

Section 208. Special Obligations. The Bond as to all Bond Requirements, shall be payable and collectible solely out of the Pledged Revenues, which Pledged Revenues are hereby so pledged and the Bond shall have a lien on the Pledged Revenues which is subordinate and after the lien thereon of the Outstanding Senior Securities; the owner or owners thereof may not look to any general or other fund for the payment of such Bond Requirements, except the special funds herein pledged; the Bonds shall not constitute an indebtedness or a debt within the meaning of any constitutional or statutory provision or limitation; and the Bonds shall not be considered or held to be general obligations of the County but shall constitute its special obligations.

### ARTICLE III

#### AUTHORIZATION, TERMS, EXECUTION, REGISTRATION, USE OF DEPOSITORY, AND ISSUANCE OF BONDS

Section 301. Authorization of Bond. The "Washoe County, Nevada, Subordinate Lien Car Rental Fee Capital Appreciation Revenue Bonds (Minor League Baseball Stadium Project), Series 2007," in the maximum Initial Amount set forth in the Certificate of the Finance Director (not to exceed \$10,000,000), or such lesser principal amount as shall represent the aggregate Initial Amount advanced by the owners of the Bond, payable as to all the Bond Requirements solely out of the Pledged Revenues after the payment of the Senior Securities, are hereby authorized to be issued, pursuant to the Project Act, the Bond Act, and the Supplemental Bond Act. The County pledges irrevocably, but not necessarily exclusively, such revenues to the payment of the Bond Requirements of the Bond, the proceeds thereof to be used (except as herein otherwise expressly provided) solely to defray the cost of the Project.

Section 302. Bond Details. The Bond shall be issued in fully registered form, i.e., registered as to principal, Accreted Value and interest. The Bond shall be dated as of the date of delivery of the Bond. The Bond shall be issued as a single Bond in denominations of \$5,000 of the Final Compounded Amount, with respect to Capital Appreciation Bonds and any integral multiple thereof (provided that no Capital Appreciation Bond may be in a denomination which exceeds the Accreted Value due on any maturity date). The Bond and any advances thereunder shall be delivered and be redeemed in even increments of \$5,000 (of the Final Compounded Amount on the final maturity date) calculated on the applicable date of delivery or payment. Each advance of the Initial Amount under the Bond shall accrue interest compounded semi-annually (on the basis of a 360-day year of twelve 30-day months) at the rates set forth in the Certificate of the Finance Director from the date of each such advance until their respective fixed maturity dates, payable on December 1 of the fixed maturity dates which shall commence on December 1, 2012, except that Bonds which are reissued upon transfer, exchange or other replacement shall accrue compounded interest at the rates set forth in the Certificate of the Finance Director from the most recent interest payment date to which interest has been paid or compounded or duly provided for, or if no interest has been paid or compounded, from the date of the Bonds or the date of the advance. Interest shall accrue on the Initial Amount of the Bond

advanced but shall not be payable until maturity. The Accreted Value of the Bond and installments thereof on December 1 of each year shall be as set forth in the Accreted Value Table designated and set forth in the Certificate of the Finance Director. The Accreted Value of the Bond and installments thereof on any date other than December 1 of any year shall be calculated by the Trustee using the Accreted Value Table or if the date is not on the Accreted Value Table, using straight line interpolation using the two closest dates, which calculation will be binding absent manifest error. The Initial Amount advanced under the Bond shall mature in installments on the dates and in the amounts as set forth in the Certificate of the Finance Director (not to exceed 50 years). Notwithstanding the foregoing, the obligation of the County as represented by the Bond shall be the maximum Initial Amount of \$10,000,000 or such lesser amount as shall represent the aggregate Initial Amount advanced by the owners of the Bond to the County, as shown on the advance panel appended to the Bond which may be evidenced by a request for advance executed by the County Manager or the Finance Director. The County Manager or the Finance Director is hereby authorized to request advances of the Initial Amount under the Bond from the registered owners of the Bond. Upon delivery of a request for advance to the registered owners of the Bond and the Trustee, the registered owners of the Bond shall advance money under the Bond within 30 days of the request for principal advance and upon receipt of the requested principal advance, the County shall notify the Trustee and the Trustee shall make a notation on the Principal Advance Panel appended to the Bond and provide such Principal Advance Panel to the registered owners of the Bond to be included with the Bond and make a notation of the amount and date of such advance in the registration records of the Trustee with respect to the Bond. The registration records of the Trustee with respect to the date and amount of each principal advance shall be conclusive absent manifest error.

The Accreted Value of any Bond shall be payable to the registered owner thereof as shown on the registration records kept by the Trustee upon final maturity thereof and upon presentation and surrender at the office of the Trustee or at such other office as designated by the Trustee. If any Bond shall not be paid upon presentation and surrender at or after maturity, it shall continue to draw interest at the interest rate borne by said Bond until the Accreted Value is paid in full. Payment of interest on any Bond and installments of Accreted Value on the Bond shall be made to the registered owner thereof by check or draft mailed by the Trustee on each interest payment date (or, if such interest payment date is not a business day, on the next

succeeding business day), to the registered owner thereof at his address as shown on the registration records kept by the Trustee at the close of business on the 15th day of the calendar month next preceding such interest payment date (the "Regular Record Date"); but any such interest and Accrete Value, if any, not so timely paid or duly provided for shall cease to be payable to the person who is the registered owner thereof at the close of business on the Regular Record Date and shall be payable to the person who is the registered owner thereof at the close of business on a special record date for the payment of any such defaulted interest (a "Special Record Date"). Such Special Record Date shall be fixed by the Trustee whenever moneys become available for payment of the defaulted interest, and notice of the Special Record Date shall be given to the registered owners of the Bonds not less than ten (10) days prior thereto by first-class mail to each such registered owner as shown on the Trustee's registration records on a date selected by the Trustee, stating the date of the Special Record Date and the date fixed for the payment of such defaulted interest. The Trustee may make payments of interest or Accreted Value on any Bond by such alternative means as may be mutually agreed to between the owner of such Bond and the Trustee (provided, however, that the County shall not be required to make funds available to the Trustee prior to the due dates of interest and principal, respectively). All such payments shall be made in lawful money of the United States of America.

Section 303. Prior Redemption.

A. Optional Redemption. The Bond shall be subject to redemption prior to its respective maturities, at the option of the County, in whole or in part, from such maturities selected by the Finance Director and by any amount within a maturity on any date, at a price equal to the Accreted Value of each Bond so redeemed on such redemption date.

B. Partial Redemption. If any Bond is in a denomination larger than \$5,000 of the Final Compounded Amount, with respect to Capital Appreciation Bonds, a portion of such Bond (\$5,000 of the Final Compounded Amount, with respect to Capital Appreciation Bonds or any integral multiple thereof provided that no Capital Appreciation Bond may be in a denomination which exceeds the Accreted Value due on any maturity date) may be redeemed pursuant to subsection A or D hereof, in which case the Trustee shall, without charge to the owner of such Bond, authenticate and issue a replacement Bond or Bonds for the unredeemed portion thereof. In the case of a partial redemption of Bonds of a single maturity pursuant to subsection A or D hereof, the Trustee shall select the Bonds to be redeemed by lot at such time

as directed by the Finance Director (but at least 10 days prior to the Redemption Date), and if such selection is more than 60 days before a Redemption Date, shall direct the Trustee to appropriately identify the Bonds so called for redemption by stamping them at the time any Bond so selected for redemption is presented to the Trustee for stamping or transfer or exchange, or by such other method of identification as is deemed adequate by the Trustee and any Bond or Bonds issued in exchange for, or to replace, any Bond so called for prior redemption shall likewise be stamped or otherwise identified. In the case of a partial redemption of any Bond of a single maturity pursuant to subsection B hereof, the Trustee shall select the Bonds to be redeemed by lot between 60 and 10 days prior to the Redemption Date. In the event of a partial redemption under subsection A or subsection D of this Section, the Trustee shall select portions of the Bond to be redeemed in ascending order of maturing installments or required sinking fund installments of Accreted Value.

C. Mandatory Sinking Fund Redemption. The Bonds maturing on the dates set forth in the Certificate of the Finance Director (the "Term Bonds") are subject to mandatory sinking fund redemption at a redemption price equal to 100% of the Accreted Value thereof on the redemption date. As and for a sinking fund for the redemption of the Term Bonds, there shall be deposited into the Bond Fund on or before the dates set forth in the Certificate of the Finance Director, a sum which, together with other moneys available in the Bond Fund, is sufficient to redeem on the dates set forth in the Certificate of the Finance Director the Accreted Value of the Term Bonds on the redemption date. The remaining Accreted Value of Term Bonds shall be paid upon presentation and surrender at maturity unless redeemed pursuant to optional redemption prior to maturity.

Not more than sixty days nor less than thirty days prior to the sinking fund payment dates for the Term Bonds, the Trustee shall proceed to select for redemption (by lot in such manner as the Trustee may determine) from all Outstanding Term Bonds, the Accreted Value of the Term Bonds equal to the aggregate Accreted Value of the Term Bonds redeemable with the required sinking fund payments, and shall call such Term Bonds or portions thereof for redemption from the sinking fund on the next payment date, and may give notice of such call as provided in Section 303(E) of this Ordinance.

At the option of the County to be exercised by delivery of a written certificate to the Trustee not less than sixty days next preceding any sinking fund redemption date, it may

(i) deliver to the Trustee for cancellation Term Bonds, or portions thereof (\$5,000 of the Final Compounded Amount, with respect to Capital Appreciation Bonds or any integral multiple thereof) in an aggregate principal amount desired by the County or, (ii) specify the Accreted Value of Term Bonds, or portions thereof (\$5,000 of the Final Compounded Amount, with respect to Capital Appreciation Bonds or any integral multiple thereof) which prior to said date have been redeemed (otherwise than through the operation of the sinking fund) and cancelled by the Trustee and not theretofore applied as a credit against any sinking fund redemption obligation. Each Term Bond or portions thereof so delivered or previously redeemed shall be credited by the Trustee at 100% of the Accreted Value thereof against the obligation of the County on the sinking fund redemption dates and any excess shall be so credited against future sinking fund redemption obligations in such manner as the County determines. In the event the County shall avail itself of the provisions of clause (i) of the first sentence of this paragraph, the certificate required by the first sentence of this paragraph shall be accompanied by the respective Term Bonds or portions thereof to be cancelled.

D. Mandatory Redemption from Excess Pledged Revenues. The Bond shall be subject to mandatory redemption from excess Pledged Revenues as provided in Section 510(B) hereof prior to its respective maturities, in whole or in part, from such maturities selected by the Finance Director and by any amount within a maturity on December 1, at a price equal to the Accreted Value of each Bond so redeemed on such redemption date.

E. Redemption Notice. Redemption shall be made by the Trustee without notice to the registered owner of any Bond all or a part of which is called for prior redemption at the address as it last appears on the registration records kept by the Trustee. The Trustee may provide notice but is not required to provide notice of prior redemption; provided, however, the Trustee is required on or before the date of any redemption of the Bond or any portion thereof pursuant to this Section 303, to provide written notice to the owners of the Bond to be redeemed of the calculation of the amount due upon redemption on such redemption date. The notice may identify the Bond or portions thereof to be redeemed, specify the Redemption Date, and may state that on such date the principal amount thereof will become due and payable at the Trustee (accrued interest to the Redemption Date being payable by mail or as otherwise provided in this Ordinance), and that after such Redemption Date interest will cease to accrue. The notice of prior redemption may further state that on such date there will become and will be due and

payable upon the Bond so to be redeemed at the office of the Trustee (designated by name) or at such other office as is designated by the Trustee, the Accreted Value thereof to the Redemption Date, and that from and after such date compounding interest will cease to accrue. Notice having been given in the manner hereinabove provided, the Bond or portions thereof so called for redemption shall become due and payable on the redemption date so designated; and upon presentation thereof at the Trustee or at such other office as is designated by the Trustee, the County will pay the Bond or portions thereof so called for redemption. Any portion of the Bond redeemed prior to their respective maturities by call for prior redemption (or otherwise) shall not be reissued and shall be canceled the same as any portion thereof redeemed at or after maturity.

Notwithstanding the provisions of this section, any notice of redemption may contain a statement that the redemption is conditional upon the receipt by the Trustee of funds on or before the date fixed for redemption sufficient to pay the redemption price of the Bonds so called for redemption, and that if such funds are not available, such redemption shall be canceled by written notice to the owners of the Bonds called for redemption in the same manner as the original redemption notice was mailed.

Section 304. Negotiability. Subject to Section 306 hereof and to the registration and payment provisions herein provided, the Bonds shall be fully negotiable within the meaning of and for the purposes of the Uniform Commercial Code -- Investment Securities, and each registered owner shall possess all rights enjoyed by registered owners of negotiable instruments under the Uniform Commercial Code -- Investment Securities.

Section 305. Registration, Transfer and Exchange of Bonds.

A. Records for the registration and transfer of the Bonds shall be kept by the Trustee. Upon the surrender for transfer of any Bond at the Trustee, duly endorsed for transfer or accompanied by an assignment in form satisfactory to the Trustee duly executed by the registered owner or his attorney duly authorized in writing, the Trustee shall authenticate and deliver in the name of the transferee or transferees a new Bond or Bonds of a like aggregate principal amount and of the same maturity bearing a number or numbers not previously assigned. Bonds may be exchanged at the Trustee for an equal aggregate principal amount of Bonds of the same maturity of other authorized denominations, as provided in Section 302 hereof. The Trustee shall authenticate and deliver the Bond or Bonds which the registered owner making the exchange is entitled to receive, bearing number or numbers not previously assigned. Such

transfers and exchanges of the Bonds shall be without charge to the owner or any transferee, but the Trustee shall require the payment by the owner of any Bond requesting exchange or transfer, of any tax or other governmental charge required to be paid with respect to such exchange or transfer.

B. The person in whose name any Bond shall be registered, in the registration records kept by the Trustee, shall be deemed and regarded as the absolute owner thereof for the purpose of making payment thereof (except to the extent otherwise provided in Section 302 hereof with respect to interest payments) and for all other purposes; and payment of or on account of either principal or interest on any Bond shall be made only to or upon the written order of the registered owner thereof or his legal representative, but such registration may be changed upon transfer of such Bond in the manner and subject to the conditions and limitation provided herein. All such payments shall be valid and effectual to discharge the liability upon such Bond to the extent of the sum or sums so paid.

C. If any Bond shall be lost, stolen, destroyed or mutilated, the Trustee shall, upon receipt of such evidence, information or indemnity relating thereto as it or the County may reasonably require, and upon payment of all expenses in connection therewith, authenticate and deliver a replacement Bond or Bonds of a like aggregate principal amount and of the same maturity, bearing a number or numbers not previously assigned. If such lost, stolen, destroyed or mutilated Bond shall have matured, the Trustee may direct that such Bond be paid by the Trustee in lieu of replacement.

D. Whenever any Bond shall be surrendered to the Trustee upon payment thereof, or to the Trustee for transfer, exchange or replacement as provided herein, such Bond shall be promptly canceled by the Trustee, and counterparts of a certificate of such cancellation shall be furnished by the Trustee to the County.

Section 306. Initial Purchase; Limitations on Transfer.

A. Notwithstanding anything herein to the contrary, the Bond shall be initially issued and subsequently transferred only to a "qualified institutional buyer" as defined in Regulation 230.144a of the Securities Act of 1933 ("QIB") or an "accredited investor" as defined in Rule 501(a)(1) of Regulation D promulgated under the Securities Act of 1933. In addition, the Purchaser shall certify upon initial issuance and prior to any transfer, the transferee shall certify to the County and the Trustee:

(b) The Purchaser or such transferee has a net worth of \$1,000,000 or more, is purchasing the Bond for its own account and not for resale or with a view to, or for sale in connection with, any distribution of the Bond or any part thereof.

(c) The Purchaser or such transferee has not offered to sell, solicited offers to buy, or agreed to sell the Bond or any part thereof, and has no present intention of reselling or otherwise disposing of the Bond or any interest therein.

(d) As a sophisticated investor, the Purchaser or such transferee has made its own credit inquiry and analysis with respect to the County, the Pledged Revenues and the Bond, and has made an independent credit decision based upon such inquiry and analysis.

(e) The County has furnished to the Purchaser or the transferee all the information which the transferee has requested of the County as a result of its having attached significance thereto in making its investment decision with respect to the Bond, and has had the opportunity to ask questions of and receive answers from knowledgeable individuals concerning the County and the Bond.

(f) The Purchaser or such transferee is able and willing to bear the economic risk of the purchase and ownership of the Bond.

(g) The Purchaser or such transferee is a "qualified institutional buyer" as defined in Regulation 230.144A of the Securities Act of 1933 or is an "accredited investor" pursuant to Regulation D (17 CFR Section 230.501(a)).

(h) The Purchaser or such transferee understands that the Bond  
(i) is not being registered under the Securities Act of 1933, as amended, and is not being registered or otherwise qualified for sale under the "Blue Sky" laws or regulations of any state, and has not been otherwise registered with any federal or state securities agency or commission  
(ii) will not be listed on any stock or other securities exchange, (iii) will not carry a rating from any rating service, and (iv) may not be readily marketable.

The County and the Trustee may deem and treat the person in whose name this Bond is registered as the absolute owner hereof for the purpose of making payment (except to the extent otherwise provided hereinabove and in the Bond Ordinance with respect to the Regular and Special Record Dates for the payment of interest) and for all other purposes and neither the County nor the Trustee shall be affected by notice to the contrary.

with the covenant in Section 823 hereof to make payments to the United States. Any moneys in such account not needed for such purpose shall be transferred to the Revenue Fund. Payments into similar rebate accounts for Parity Securities shall be made concurrently with payments into the Rebate Account.

Section 507. Termination of Deposits. No payment need be made into the Bond Fund, if the amount in the Bond Fund totals a sum at least equal to the entire amount of the Outstanding Bond and any Outstanding Parity Securities as to all Bond Requirements to their respective maturities or to any redemption date on which the County shall have exercised or shall have obligated itself to exercise its option to redeem prior to their respective maturities the Outstanding Bond or any such Outstanding Parity Securities thereafter maturing, and both accrued and not accrued, in which case moneys in those two accounts in an amount, except for any interest or other gain to accrue from any investment of moneys in Federal Securities from the time of any such deposit to the time or respective times the proceeds of any such investment shall be needed for such payment, at least equal to such Bond Requirements, shall be used together with any such gain from investments solely to pay such Bond Requirements as the same become due; and any moneys in excess thereof in those two accounts and any other moneys derived from the Pledged Revenues may be used in any lawful manner determined by the Governing Body.

Section 508. Defraying Delinquencies. The moneys in the Bond Fund shall be used solely and only for the purpose of paying the Bond Requirements of the Bond and any Outstanding Parity Securities; and also any moneys in the Bond Fund in excess of the Bond Requirements, both accrued and not accrued, to the respective maturities or designated Redemption Date of the Outstanding Bonds and any such Outstanding Parity Securities may be used as herein provided.

Section 509. Fees of Trustee. ## ARTICLE VI

### GENERAL ADMINISTRATION

Section 601. Administration of Accounts. The special accounts designated in Articles IV and V hereof shall be administered as provided in this Article VI.

Section 602. Places and Times of Deposits. Each of such special accounts shall be maintained as a book account and kept separate from all other accounts as a trust account solely for the purpose herein designated therefor, and the moneys accounted for in such special Bond accounts shall be deposited in one bank account or more in an Insured Bank or Insured Banks as determined and designated by the Governing Body (except as otherwise expressly stated herein). Nothing herein shall prevent the commingling of moneys accounted for in any two (2) or more book accounts pertaining to the Pledged Revenues or to any such fund and any other funds of the County (each of which funds consists of a self-balancing group of accounts and constitutes an independent fiscal and accounting entity) in any bank account or any investment in Federal Securities hereunder. Each such bank account shall be continuously secured to the fullest extent required or permitted by the laws of the State for the securing of public funds and shall be irrevocable and not withdrawable by anyone for any purpose other than the respective designated purposes. Each periodic payment shall be credited to the proper account not later than the date therefor herein designated, except that when any such date shall be a Saturday, a Sunday or a legal holiday, then such payment shall be made on or before the next preceding secular day.

Section 603. Investment of Moneys. Any moneys in any such account, and not needed for immediate use, may be invested or reinvested by the Trustee, the County or the Redevelopment Agency of the City of Reno, as applicable, in securities permitted under State law. The Trustee shall make such investments as directed in writing by the Finance Director.

Section 604. Investment of Acquisition Account. The Redevelopment Agency of the City of Reno may invest or reinvest any moneys accounted for in the Acquisition Account in accordance with the provisions of this Ordinance.

Section 605. Required and Permissive Investments. The Trustee shall have no obligation to make any investment or reinvestment hereunder, unless any moneys on hand and accounted for in any one account exceeds \$5,000 and at least \$5,000 therein will not be needed for a period of not less than sixty (60) days. In such event the Trustee shall invest or reinvest in

Federal Securities not less than substantially all the amount which will not be needed during such sixty-day period, except for any moneys on deposit in an interest-bearing account in any Insured Bank, regardless whether such moneys are evidenced by certificate of deposit or otherwise, pursuant to Sections 603 and 608 hereof. The Trustee may invest or reinvest any moneys on hand at any time as provided in Section 603 hereof even though the Trustee is not obligated to do so.

Section 606. Accounting for Investments. The Federal Securities so purchased as an investment or reinvestment of moneys in any such account shall be deemed at all times to be a part of the account and held in trust therefor. Except as herein otherwise provided, any interest or other gain in any account from any investments and reinvestments in Federal Securities and from any deposits of moneys in any Insured Bank pursuant to this article shall be credited to the account, and any loss in any account resulting from any such investments and reinvestments in Federal Securities and from any such deposits in any Insured Bank shall be charged or debited to the account. No loss or profit in any account on any investments or reinvestments in Federal Securities or any certificates of deposit shall be deemed to take place as a result of fluctuations in the market quotations of the investments, reinvestments or certificates prior to the sale or maturity thereof. In the computation of the amount in any account for any purpose hereunder, except as herein otherwise expressly provided, Federal Securities and certificates of deposit shall be valued at the cost thereof (including any amount paid as accrued interest at the time of the purchase of the obligation) and other bank deposits shall be valued at the amounts deposited, exclusive of any accrued interest or any other gain to the County until such gain is realized by the presentation for payment, or otherwise. The expenses of purchase, safekeeping, sale and all other expenses incident to any investment or reinvestment of moneys pursuant to this article VI shall be accounted for as expenses of the Trustee as permitted by Section 510 hereof.

Section 607. Redemption or Sale of Federal Securities. The Trustee shall present for redemption at maturity or sale on the prevailing market at the best price obtainable any Federal Securities and certificates of deposit so purchased as an investment or reinvestment of moneys in any account whenever it shall be necessary so to do in order to provide moneys to meet any withdrawal, payment or transfer from such account. Neither the Trustee nor any officer of the County shall be liable or responsible for any loss resulting from any such

investment or reinvestment made in accordance with this Ordinance. The Trustee shall promptly notify the Finance Director and the Governing Body of any gain or loss in any account in the form of an account statement

Section 608. Character of Funds. The moneys in any account herein authorized shall consist either of lawful money of the United States or Federal Securities, or both such money and such securities. Moneys deposited in a demand or time deposit account in or evidenced by a certificate of deposit of any Insured Bank, pursuant to Section 602 hereof, appropriately secured according to the laws of the State, shall be deemed lawful money of the United States.

Section 609. Accelerated Payments. Nothing contained in Article V hereof prevents the accumulation in any account herein designated of any monetary requirements at a faster rate than the rate or minimum rate, as the case may be, provided in Article V; but no payment shall be accelerated if such acceleration shall cause the Governing Body to default in the payment of any obligation of the County pertaining to the Pledged Revenues. Nothing herein contained requires in connection with the Pledged Revenues received in any Fiscal Year the accumulation of monetary requirements in any account for the payment in the Comparable Bond Year of Bond Requirements due in connection with any series of bonds or other securities payable from the Pledged Revenues and heretofore, herein or hereafter authorized, in excess of such Bond Requirements due in such Comparable Bond Year, or of any reserves required to be accumulated and maintained therefor, and of any existing deficiencies, and payable from such account, as the case may be, except as may be otherwise provided herein.

Section 610. Payment of Bond Requirements. The moneys credited to any account designated in Article V hereof for the payment of the Bond Requirements due in connection with any series of bonds or other securities payable from the Pledged Revenues and heretofore, herein or hereafter authorized shall be used, without requisition, voucher, warrant or further order or authority (other than is contained herein) or any other preliminaries, to pay promptly the Bond Requirements payable from such account as such securities become due, upon the respective redemption dates, if any, on which the County is obligated to pay such securities, or upon the respective interest payment and bond maturity dates of such securities, as provided therefor herein or otherwise, except to the extent any other moneys are available therefor, including, without limitation, moneys accounted for in the Bond Fund.

Section 611. Payment of Redemption Premiums. Notwithstanding any other provision herein, this Ordinance requires the accumulation in any account designated in Article V hereof for the payment of any series of bonds or other securities payable from the Pledged Revenues of amounts sufficient to pay not only the principal thereof and interest thereon, but also the prior redemption premiums due in connection therewith, as the same become due, whenever the County shall have exercised or shall have obligated itself to exercise a prior redemption option pertaining thereto, except to the extent provision is otherwise made therefor, if any prior redemption premium is due in connection therewith. In such event moneys shall be deposited into such account in due season for the payment of all such Bond Requirements without default as the same become due.

## ARTICLE VII

### SECURITIES LIENS AND ADDITIONAL SECURITIES

Section 701. Lien on the Pledged Revenues for the Bond. The Bond authorized herein constitutes an irrevocable lien (but not an exclusive lien) upon the Pledged Revenues, on a parity with any Parity Securities hereafter issued and subordinate and junior to the lien thereon of the 2007 Senior Bonds and any other Senior Bonds issued hereafter.

Section 702. Equality of Bond. The Bond authorized to be issued hereunder and any parity securities heretofore or hereafter authorized to be issued and from time to time Outstanding, are equitably and ratably secured by a lien on the Pledged Revenues and shall not be entitled to any priority one over the other in the application of the Pledged Revenues regardless of the time or times of the issuance of such securities, it being the intention of the Governing Body that there shall be no priority among the Bond and any such parity securities regardless of the fact that they may be actually issued and delivered at different times.

Section 703. Subordinate Securities Prohibited. Nothing herein contained permits the County to issue Subordinate Securities payable from the Pledged Revenues and having a lien thereon subordinate, inferior and junior to the lien thereon of the Bond.

Section 704. Parity Securities Permitted. The County may issue Parity Securities, including refunding bonds and securities, however, nothing herein contained permits the County to issue additional bonds or other additional securities (other than refunding Parity Securities) payable from the Pledged Revenues and having a lien thereon on a parity with the lien thereon of the Bond without the consent of the owners of 100% of the Bond and the County; provided that so long as the Bond is Outstanding, the application of excess Pledged Revenues pursuant to Section 510(B) shall be used only to prepay and redeem the Bond.

Section 705. Refunding Senior Securities Permitted. The County may issue the 2007 Senior Bonds and Senior Securities constituting refunding bonds or refunding securities as set forth herein and in the ordinance authorizing the issuance of the 2007 Senior Bonds, however, nothing herein contained permits the County to issue additional bonds or other additional securities (other than the 2007 Senior Bonds and refunding Senior Securities) payable from the Pledged Revenues and having a lien thereon prior and superior to the lien thereon of the Bond.

Section 706. Issuance of Refunding Securities. At any time after the Bond, or any part thereof, are issued and remain Outstanding, if the Governing Body shall find it desirable to refund any Outstanding Bond or other Outstanding securities payable from and constituting a lien upon the Pledged Revenues, such Bond or other securities, or any part thereof, may be refunded (but only with the consent of the owner or owners of all such Outstanding securities unless the Bond or other securities at the time or times of their required surrender for payment shall then mature or shall be then callable for prior redemption for refunding purposes at the County's option upon proper call), regardless whether the priority of the lien for the payment of the refunding securities on the Pledged Revenues is changed (except as provided in Sections 707 through 711 hereof).

Section 707. Partial Refundings. No partial refundings of the Bond shall be permitted without the prior written consent of the owners of 100% of the Bond.

Section 708. Limitations Upon Refundings. Any refunding bonds or other refunding securities payable from the Pledged Revenues shall be issued with such details as the Governing Body may by instrument provide, subject to the provisions of Section 711 hereof, and subject to the inclusion of any such rights and privileges designated in Section 709 hereof, but without any impairment of any contractual obligation imposed upon the County by any proceedings authorizing the issuance of any unrefunded portion of such Outstanding securities of any one or more issues (including but not necessarily limited to the Bond).

Section 709. Protection of Securities Not Refunded. If only a part of the Outstanding Bond is refunded, then such securities may not be refunded without the consent of the holder or holders of the unrefunded portion of such securities:

A. Requirements Not Increased. Unless the refunding bonds or other refunding securities do not increase for any Bond Year the aggregate principal and interest requirements evidenced by such refunding securities and by the Outstanding securities not refunded on and prior to the last maturity date of such unrefunded securities, and the lien of any refunding bonds or other refunding securities on the Pledged Revenues is not raised to a higher priority than the lien thereon of the Bond or other securities thereby refunded; and

B. Default and Earnings Test. Unless at the time of adoption of the supplemental instrument authorizing the issuance of the additional securities as provided in

Section 711 hereof, the County shall not be in default in making any payments required by Article V hereof.

Section 710. Payment Dates of Additional Securities. Any additional Senior Securities issued in compliance with the terms hereof shall bear interest, be payable as to interest semi-annually on June 1 and December 1 on such dates and in such manner, and mature on December 1, as provided in the ordinance authorizing their issuance.

Any additional Parity Securities (including but not necessarily limited to any funding or refunding securities) issued in compliance with the terms hereof shall bear or accrete interest, be payable as to interest on December 1, and mature on December 1, as provided in the ordinance authorizing their issuance.

Section 711. Supplemental Instrument. Additional bonds or other additional securities payable from the Pledged Revenues shall be issued only after authorization thereof by a supplemental instrument of the Governing Body stating the purpose or purposes of the issuance of such additional securities, directing the application of the proceeds thereof to such purpose or purposes, directing the execution thereof, and fixing and determining the date, principal amount, maturity or maturities, designation and numbers thereof, the maximum rate or the rate or rates of interest to be borne thereby, payment dates, maturity date or dates, any prior redemption privileges of the County with respect thereto and any other provisions thereof in accordance with this Ordinance. All additional securities shall bear such date, shall bear such numbers and series designation, letters or symbols prefixed to their numbers distinguishing them from each other security, shall be payable at such place or places, may be subject to redemption prior to maturity on such terms and conditions, and shall bear interest at such rate or at such different or varying rates per annum, as may be fixed by instrument or other document of the Governing Body.

(5) If it is in accordance with fact, the absence of litigation, pending or threatened, affecting the validity thereof;

C. Information. The assembly and dissemination of financial and other information concerning the County and the Bond;

D. Certificate of the Finance Director. The completion and execution of the Certificate of the Finance Director by the Finance Director in substantially the form on file with the Clerk, with such amendments as consented to by the Finance Director;

E. Bond Issuance. The execution of the Certificate of the Finance Director and the sale and issuance of the Bond pursuant to the provisions of this Ordinance and to any supplemental instrument.

Section 903. Statute of Limitations. No action or suit based upon any Bond, or other obligation of the County shall be commenced after it is barred by any statute of limitations pertaining thereto. Any trust or fiduciary relationship between the County and the owner of any Bond or other obligee regarding any such obligation shall be conclusively presumed to have been repudiated on the maturity date or other due date thereof unless the Bond is presented for payment or demand before the expiration of the applicable limitation period. Any moneys from whatever source derived remaining in any account reserved, pledged or otherwise held for the payment of any such obligation, action or suit shall revert to the Revenue Fund, unless the Governing Body shall otherwise provide by Instrument of the County. Nothing hereby contained prevents the payment of any such obligation after any action or suit for its collection has been barred if the Governing Body deems it in the best interests of the public so to do and orders such payment to be made.

Section 904. Evidence of Bondowners. Any request, consent or other instrument which the Ordinance may require or may permit to be signed and to be executed by the owner of any Bond may be in one or more instruments of similar tenor and shall be signed or shall be executed by each such owner in person or by his attorney appointed in writing. Proof of the execution of any such instrument or of an instrument appointing any such attorney, or the holding by any Person of the Bond, shall be sufficient for any purpose of this Ordinance (except as otherwise herein expressly provided) if made in the following manner:

A. Proof of Execution. The fact and the date of the execution by any owner of any Bond or his attorney of such instrument may be provided by the certificate, which need

not be acknowledged or verified, of an officer of a bank or trust company satisfactory to the Clerk or of any notary public or other officer authorized to take acknowledgments of deeds to be recorded in the state in which he purports to act, that the individual signing such request or other instrument acknowledged to him the execution thereof, or by an affidavit of a witness of such execution, duly sworn to before such notary public or other officer; the authority of the individual or individuals executing any such instrument on behalf of a corporate owner of any Bond may be established without further proof if such instrument is signed by an individual purporting to be the president or vice president of such corporation with a corporate seal affixed and attested by an individual purporting to be its secretary or an assistant secretary; and the authority of any Person or Persons executing any such instrument in any fiduciary or representative capacity may be established without further proof if such instrument is signed by a Person or Persons purporting to act in such fiduciary or representative capacity; and

B. Proof of Holdings. The amount of the Bond owned by any Person executing any instrument as an owner of the Bond and the numbers, date and other identification thereof, together with the date of his holding the Bond, may be proved by reference to the registration records kept by the Trustee; but the Clerk may nevertheless in his discretion require further or other proof in cases where he deems the same advisable.

Section 905. Warranty Upon Issuance of Bond. The Bond, when duly executed and delivered for the purpose provided in this Ordinance, shall constitute a warranty by and on behalf of the County for the benefit of each and every future holder of the Bond that the Bond has been issued for a valuable consideration in full conformity with law.

Section 906. Immunities of Purchaser. The Purchaser and any associate thereof are under no obligation to any owner of the Bond for any action that they may or may not take or in respect of anything that they may or may not do by reason of any information contained in any reports or other documents received by them under the provisions of this Ordinance. The immunities and exemptions from liability of the Purchaser and any associate thereof hereunder extend to their partners, directors, successors, employees and agents.

Section 907. Prior Contracts. Nothing herein contained impairs the County's obligation of contracts with any Person in connection with the County, including, without limitation, the Pledged Revenues, this Ordinance, the ordinance authorizing the issuance of the 2007 Senior Bonds, the Facilities, and the Project (or any combination thereof). If any provision

herein is inconsistent with any provision in any existing contract pertaining to the County in such a manner as to effect prejudicially and materially the rights and privileges thereunder, so long as such contract shall remain viable and in effect such provision therein shall control such inconsistent provision herein and the latter provision shall be subject and subordinate to such provision in such existing contract.

Section 908. Replacement of Trustee. If the Trustee initially appointed hereunder shall resign, or if the Board, on the behalf and in the name of the County, shall determine to replace the Trustee, the Board for the County may, upon notice mailed to each owner of any Bond at his address last shown on the registration records, appoint a successor Trustee. No resignation or dismissal of the Trustee may take effect until a successor is appointed. Every such successor Trustee shall be a trust bank. It shall not be required that the same institution serve as both Trustee hereunder, but the Board shall have the right to have the same institution serve as both Trustee hereunder.

Any corporation or association into which the Trustee may be converted or merged, or with which they may be consolidated, or to which they may sell or transfer their corporate trust business and assets as a whole or substantially as a whole, or any corporation or association resulting from any such conversion, sale, merger, consolidation or transfer, to which they are a party, shall be and become the successor Trustee under this Ordinance, without the execution or filing of any instrument or any further act, deed, or conveyance on the part of any of the parties hereto, anything in this Ordinance to the contrary notwithstanding.

## ARTICLE X

### PRIVILEGES, RIGHTS AND REMEDIES

Section 1001. Bondowner's Remedies. Each owner of any Bond shall be entitled to all of the privileges, rights and remedies provided herein, in the Project Act, the Bond Act, the Supplemental Bond Act and this Ordinance, and as otherwise provided or permitted at law or in equity or by other statute, except as provided in Sections 209 through 212 hereof, but subject to the provisions herein concerning the Pledged Revenues and the proceeds of the Bond.

Section 1002. Right to Enforce Payment. Nothing in this article affects or impairs the right of any owner of any Bond issued hereunder to enforce the payment of the Bond Requirements of his Bond or the obligation of the County to pay the Bond Requirements of each Bond to the owner thereof at the time and the place expressed in the Bond.

Section 1003. Events of Default. Each of the following events is hereby declared an "event of default":

A. Incapable to Perform. The County shall for any reason be rendered incapable of fulfilling its obligations hereunder;

B. Nonperformance of Duties. The County shall have failed to carry out and to perform (or in good faith to begin the performance of) all acts and things lawfully required to be carried out or to be performed by it under any contract relating to the Pledged Revenues, or otherwise, including, without limitation, this Ordinance, and such failure shall continue for sixty (60) days after receipt of notice from the owners of at least ten percent (10%) in aggregate principal amount of the Bond then Outstanding.

C. Appointment of Receiver. An order or decree shall be entered by a court of competent jurisdiction with the consent or acquiescence of the County appointing a receiver or receivers for the Pledged Revenues and any other moneys subject to the lien to secure the payment of the Bond or if an order or decree having been entered without the consent or acquiescence of the County, shall not be vacated or discharged or stayed on appeal within sixty (60) days after entry; and

D. Default of Any Provision. The County shall make default in the due and punctual performance of any other of the representations, covenants, conditions, agreements and other provisions contained in the Bond or in this Ordinance on its part to be performed, and if such default shall continue for sixty (60) days after written notice specifying such default and

requiring the same to be remedied shall have been given to the County by the owners of at least ten percent (10%) in aggregate principal amount of the Bond then Outstanding. The nonpayment of the Bond Requirements of the Bond when due shall not constitute a default or an event of default hereunder.

Section 1004. Remedies for Default. Upon the happening and continuance of any of the events of default, as provided in Section 1003 hereof, then and in every case the owner or owners of not less than ten percent (10%) in aggregate principal amount of the Bond then Outstanding, including, without limitation, a trustee or trustees therefor, may proceed against the County and its agents, officers and employees to protect and to enforce the rights of any owner of Bond under this Ordinance by mandamus or by other suit, action or special proceedings in equity or at law, in any court of competent jurisdiction, either for the appointment of a receiver or for the specific performance of any covenant or agreement contained herein or in an award of execution of any power herein granted for the enforcement of any proper, legal or equitable remedy as such owner or owners may deem most effectual to protect and to enforce the rights aforesaid, or thereby to enjoin any act or thing which may be unlawful or in violation of any right of any holder of any Bond, or to require the County to act as if it were the trustee of an expressed trust, or any combination of such remedies. All such proceedings at law or in equity shall be instituted, had and maintained for the equal benefit of all holders of the Bond then Outstanding.

Section 1005. Receiver's Rights and Privileges. Any receiver appointed in any proceedings to protect the rights of such holders hereunder, the consent of any such appointment being hereby expressly granted by the County, may collect, receive and apply all Pledged Revenues arising after the appointment of such receiver in the same manner as the County itself might do.

Section 1006. Rights and Privileges Cumulative. The failure of any owner of any Outstanding Bond to proceed in any manner herein provided shall not relieve the County, its Governing Body, or any of its officers, agents or employees of any liability for failure to perform or carry out any duty, obligation or other commitment. Each right or privilege of any such holder (or trustee hereof) is in addition and is cumulative to any other right or privilege, and the exercise of any right or privilege by or on behalf of any owner shall not be deemed a waiver of any other right or privilege thereof.

Section 1007. Duties Upon Defaults. Upon the happening of any of the events of default as provided in Section 1003 hereof, the County, in addition, shall do and perform all proper acts on behalf of and for the owner of Bond to protect and to preserve the security created for the payment of their Bond.

Section 1008. Duties in Bankruptcy Proceedings. If any Person obligated to pay any fees derived from the Car Rental Fee Ordinance under any laws of the United States relating to bankruptcy, including, without limitation, any action under any law providing for corporate reorganization, it shall be the duty of the County, and its appropriate officers are hereby authorized and directed, to take all necessary steps for the benefit of the holder of the Bond in such proceedings, so including the filing of any claims for unpaid fees derived from the Car Rental Fee Ordinance and other payments to or otherwise arising from the breach of any of the covenants, terms or conditions of any instrument or obligation pertaining to the Pledged Revenues, except to the extent that the State acting by and through the Department or otherwise takes such action, unless the Governing Body by resolution or other instrument determines that the costs of such action are likely to exceed the amounts thereby recovered from such taxpayer.

Section 1009. Prejudicial Action Unnecessary. Nothing in this article requires the County to proceed as provided herein if the Governing Body determines in good faith and without any abuse of its discretion that if the County so proceeds it is more likely than not to incur a net loss rather than a net gain or such action is otherwise likely to affect materially and prejudicially the holders of the Outstanding Bond and any Outstanding parity securities.

## ARTICLE XI

### AMENDMENT OF ORDINANCE

Section 1101. Privilege of Amendments. This Ordinance may be amended or supplemented by instruments adopted by the Governing Body in accordance with the laws of the State, without receipt by the County of any additional consideration, but with the written consent of the holders of not less than sixty-six percent (66%) in aggregate principal amount of the Bond and any Parity Securities heretofore or hereafter issued and Outstanding at the time of the adoption of such amendatory or supplemental instrument, not including in any case any Bond or Parity Securities which may then be held or owned for the account of the County, but including such refunding securities as may be issued for the purpose of refunding the Bond issued hereunder or any parity securities if such refunding securities are not owned by the County.

Section 1102. Limitations Upon Amendments. No such instrument shall permit:

A. Changing Payment. A change in the maturity or in the terms of redemption of the principal of any Outstanding Bond or any parity securities or any installment of interest thereon; or

B. Reducing Return. A reduction in the principal amount of any Bond or any parity securities, the rate of interest thereon, or any prior redemption premium payable in connection' therewith, without the consent of the holder of the Bond or Parity Securities; or

C. Prior Lien. The creation of a lien upon or a pledge of revenues ranking prior to the lien or to the pledge created by this Ordinance; or

D. Modifying Any Bond. A reduction of the principal amount or percentages or otherwise affecting the description of Bond or Parity Securities or the consent of the holders of which is required for any such modification or amendment; or

E. Priorities Between Bonds. The establishment of priorities as between the Bond and parity securities issued and Outstanding under the provisions of this Ordinance or another County ordinance; or

F. Partial Modification. The modifications of or otherwise prejudicially affecting the rights or privileges of the holders of less than all of the Bond and Parity Securities then Outstanding.

Section 1103. Notice of Amendment. Whenever the Governing Body proposes to amend or modify this Ordinance under the provisions of this article, it shall cause notice of the

proposed amendment to be mailed within thirty (30) days to the registered owners of the Bond and any parity securities, or to any successor thereof known to the Clerk. Such notice shall briefly set forth the nature of the proposed amendment and shall state that a copy of the proposed amendatory instrument is on file in the office of the Clerk for public inspection.

A. Time for Amendment. Whenever at any time within one (1) year from the last date of the mailing of such notice there shall be filed in the office of the Clerk an instrument or instruments executed by the owners of at least sixty-six percent (66%) in aggregate principal amount of the Bond and Parity Securities then Outstanding, which instrument or instruments shall refer to the proposed amendatory instrument described in such notice and shall specifically consent to and approve the adoption of such instrument, thereupon, but not otherwise, the Governing Body may adopt such amendatory instrument and such instrument shall become effective.

Section 1104. Binding Consent to Amendment. If the owners of at least sixty-six percent (66%) in aggregate principal amount of the Bond and Parity Securities Outstanding, at the time of the adoption of such amendatory instrument, or the predecessors in title of such holders, shall have consented to and approved the adoption thereof as herein provided, no owner of any Bond or Parity Securities whether or not such owner shall have consented to or shall have revoked any consent as in this article provided, shall have any right or interest to object to the adoption of such amendatory instrument or to object to any of the terms or provisions therein contained or to the operation thereof or to enjoin or restrain the County from taking any action pursuant to the provisions thereof.

Section 1105. Time Consent Binding. Any consent given by the owner of a Bond or Parity Securities pursuant to the provisions of this article shall be irrevocable for a period of six (6) months from the date of the mailing of the notice above provided for and shall be conclusive and binding upon all future owners of the same Bond or Parity Securities during such period. Such consent may be revoked at any time after six (6) months from the last date of the mailing of such notice, by the holder who gave such consent or by a successor in title by filing notice of such revocation with the Clerk, but such revocation shall not be effective if the owners of not less than sixty-six percent (66%) in aggregate principal amount of the Bond and Parity Securities Outstanding have, prior to the attempted revocation, consented to and approved the amendatory instrument referred to in such revocation.

Section 1106. Unanimous Consent. Notwithstanding anything contained in the foregoing provisions of this article, the terms and the provisions of this Ordinance or of any instrument amendatory thereof or supplemental thereto, the rights and the obligations of the County and of the owners of the Bond and Parity Securities thereunder may be modified or amended in any respect upon the adoption by the County and upon the filing with the Clerk of an instrument to that effect and with the consent of the owners of all the then Outstanding Bond and Parity Securities, such consent to be given as provided in Section 904 hereof; and no notice to owners of the Bond and Parity Securities, either by mailing or by publication, shall be required, nor shall the time of consent be limited except as may be provided in such consent.

Section 1107. Exclusion of County's Bonds. The Bond and Parity Securities owned or held by or for the account of the County shall not be deemed Outstanding and shall be excluded for the purpose of consent or of other action or of any calculation of Outstanding Bond and Parity Securities provided for in this article, and the County shall not be entitled with respect to such Bond and Parity Securities to give any consent or to take any other action provided for in this article. At the time of any consent or of other action taken under this article, the County shall furnish the Clerk a certificate of the Treasurer, upon which the County may rely, describing all Bond and Parity Securities so to be excluded.

Section 1108. Notation on Bond. The Bond and Parity Securities authenticated and delivered after the effective date of any action taken as in this article provided may bear a notation by endorsement or otherwise in form approved by the Governing Body as to such action; and if any such Bond or and Parity Securities so authenticated and delivered shall bear such notation, then upon demand of the owner of any Bond or and Parity Securities Outstanding at such effective date and upon presentation of his Bond or and Parity Securities for the purpose at the principal office of the Clerk, suitable notation shall be made on such Bond or and Parity Securities by the Clerk as to any such action. If the Governing Body shall so determine, new Bonds or Parity Securities so modified as in the opinion of the Governing Body to conform to such action shall be prepared, authenticated and delivered; and upon demand of the owner of any Bond or and Parity Securities then Outstanding, shall be exchanged without cost to such owner for Bonds or Parity Securities then Outstanding upon surrender of such Bonds or Parity Securities.

Section 1109. Proof of Instruments and Bond. **COMMISSION CHAMBERS - 1001 E. 9<sup>th</sup> Street, Reno, Nevada**

**November 20, 2007**

**1:00 p.m. *Note Time Change***

**NOTE:** Items on the agenda without a time designation may not necessarily be considered in the order in which they appear on the agenda. Items may be moved to or from the Consent Agenda at the beginning of the Board Meeting or may be voted on in a block.

The Washoe County Commission Chambers are accessible to the disabled. If you require special arrangements for the meeting, call the County Manager's Office, 328-2000, 24-hours prior to the meeting.

**Public Comment** during the Commission Meeting on November 20, 2007 will be for all matters, both on and off the agenda, and be limited to two minutes per person. Additionally, public comment of two minutes per person will be heard during individual action items on the agenda. Persons are invited to submit comments in writing on the agenda items and/or attend and make comment on that item at the Commission meeting.

The Chairman and Board of County Commissioners intend that their proceedings should demonstrate the highest levels of decorum, civic responsibility, efficiency and mutual respect between citizens and their government. The Board respects the right of citizens to present differing opinions and views, even criticism, but our democracy cannot function effectively in an environment of personal attacks, slander, threats of violence and willful disruption. To that end, the Nevada Open Meeting Law provides the authority for the Chair of a public body to maintain the decorum and to declare a recess if needed to remove any person who is disrupting the meeting, and notice is hereby provided of the intent of this body to preserve the decorum and remove anyone who disrupts the proceedings.

The County Commission can deliberate or take action only if a matter has been listed on an agenda properly posted prior to the meeting. During the public comment period, speakers may address matters listed or not listed on the published agenda. The Open Meeting Law does not expressly prohibit responses to public comments by the Commission. However, responses from Commissioners to unlisted public comment topics could become deliberation on a matter without notice to the public. On the advice of legal counsel and to ensure the public has notice of all matters the Commission will consider, Commissioners may choose not to respond to public comments, except to correct factual inaccuracies, ask for County staff action or to ask that a matter be listed on a future agenda. The Commission may do this either during the public comment item or during the following item: "\*Commissioners'/Manager's Announcements, Requests for Information, Topics for Future Agendas and Statements Relating to Items Not on the Agenda".
