WHEREAS, the Board has heretofore determined and does hereby declare that a portion of the cost of developing and carrying out the plan for remediation has been deferred with the proceeds of bonds (the “Bonds”) which have been heretofore retired; and

WHEREAS, the Board has heretofore determined that the operation and maintenance in connection with carrying out the Plan for Remediation is to be paid by a fee imposed on the properties in the District; and

WHEREAS, in the Creation Ordinance, the Board determined that the condition which requires remediation affects the quality of drinking water within the region and therefor, pursuant to subsection 1(a) of NRS § 540A.265, the fee apportioned must be based on a percentage of the total amount billed in the preceding calendar year to each parcel of property within the District for water by the provider of retail water service to the parcel of property; and

WHEREAS, the Board has determined and hereby determines that the Bonds have been retired, and therefore no amount will be included in the fee to pay principal and interest on the Bonds; and

provided in the County's agreement with Sierra Pacific, to which TMWA has succeeded, is \$300,000; and

WHEREAS, the Board has determined and hereby determines that the annual amount necessary to pay the one year's cost of additional expenses and monitoring, administration, collection and other continuing costs in furtherance of and in connection with developing and carrying out the Plan for Remediation (collectively, "Ongoing Costs") is \$3,349,394.87; and

WHEREAS, it is therefore necessary to raise \$1,250,000 in fiscal year 2018-2019 (the Fiscal Years' Amount) to pay one year's O&M and Ongoing Costs; and

WHEREAS, the Board has determined at this time that considering the nature of the capital projects previously funded with the Bonds and the nature of the Ongoing Costs being collected at this time, it is appropriate to weight or adjust the amount billed pursuant to paragraph (b) of subsection 1 of NRS § 540A.265, and consequently that the methods of weighting or adjusting outlined in paragraphs (b) and (c) of such subsection are being applied to the fee being apportioned by this ordinance, and the Board hereby finds and declares that such apportionment is just and equitable; and

WHEREAS, there has been submitted to staff of the County a list of all parcels of land in the District (excluding all property owned by the federal government), together with the amount billed for water to those parcels in calendar year ending December 31, 2017, in which, in the cases of properties within the District where retail water service was not provided for a full calendar year, or where a full calendar year's billing was not available, the estimated amount billed for water for a full calendar year was provided or developed, taking into account a partial year's billing extended to 12 months, or an average of fees on parcels of property within comparable zonings or uses; and

WHEREAS, there has been prepared and filed with the County Clerk on April 10, 2018 a list, entitled "District No. 24 (Groundwater Remediation) 2017 Fee Apportionment List" (the "Fee Apportionment List"), of each parcel of property within the District (excluding parcels owned by the United States) and an apportionment of the Fiscal Years' Amount to be raised by the fees described above to each parcel of land in the District, which apportionment is based on the amount billed to that parcel for water, weighted and adjusted as described in paragraphs (b), (c) and (d) of subsection 1 of NRS § 540A.265; and

WHEREAS, the Board has determined and hereby determines that the apportionment provided in the list described above is fair, just and equitable and is hereby adopted.

NOTICE OF MEETING AND AGENDA

WASHOE COUNTY BOARD OF COUNTY COMMISSIONERS COMMISSION CHAMBERS - 1001 E. 9th Street, Reno, Nevada

June 19, 2018
10:00 a.m.

NOTE: Items on the agenda may be taken out of order; combined with other items; removed from the agenda; moved to the agenda of another meeting; moved to or from the Consent section; or may be voted on in a block. Items with a specific time designation will not be heard prior to the stated time, but may be heard later. The Consent is a single agenda item and is considered as a block and will not be read aloud. The Board of County Commissioners may take breaks approximately every 90 minutes.

Accessibility. The Washoe County Commission Chambers are accessible to the disabled. If you require special arrangements for the meeting, call the Office of the County Manager, (775) 328-2000, 24-hours prior to the meeting.

Public Transportation. Public transportation is available to this meeting site: RTC Routes 2, 2S, 5 and 15 serve this location. For eligible RTC ACCESS reservations call (775) 348-5438.

Time Limits. Public comments are welcomed during the Public Comment periods for all matters, whether listed on the agenda or not, and are limited to three minutes per person. Additionally, public comment of three minutes per person will be heard during individually numbered items designated as "for possible action" on the agenda. Persons are invited to submit comments in writing on the agenda items and/or attend and make comment on that item at the Commission meeting. Persons may not allocate unused time to other speakers.

Forum Restrictions and Orderly Conduct of Business. The Board of County Commissioners conducts the business of Washoe County and its citizens during its meetings. The presiding officer may order the removal of any person whose statement or other conduct disrupts the orderly, efficient or safe conduct of the meeting. Warnings against disruptive comments or behavior may or may not be given prior to removal. The viewpoint of a speaker will not be restricted, but reasonable restrictions may be imposed upon the time, place and manner of speech. Irrelevant and unduly repetitious statements and personal attacks which antagonize or incite others are examples of speech that may be reasonably limited.

Responses to Public Comments. The County Commission can deliberate or take action only if a matter has been listed on an agenda properly posted prior to the meeting. During the public comment period, speakers may address matters listed or not listed on the published agenda. The Open Meeting Law does not expressly prohibit responses to public comments by the Commission. However, responses from Commissioners to unlisted public comment topics could become deliberation on a matter without notice to the public. On the advice of legal counsel and to ensure the public has notice of all matters the Commission will consider, Commissioners may choose not to respond to public comments, except to correct factual inaccuracies, ask for County staff action or to ask that a matter be listed on a future agenda. The Commission may do this either during the public comment item or during the following item "Commissioners'/County Manager's announcements, reports and updates, requested for information or topics for future agendas."
