Possible Changes to Agenda and Timing. Items on this agenda may be taken out of order, combined with other items, removed from the agenda or moved to the agenda of a later meeting. Items on this agenda may also be moved to or from the consent section. Items designated for a specified time will not be heard prior to the stated time but may be heard later.

Public Comment. Public comments are welcomed during the public comment periods at the beginning and end of the meeting and during public hearing and project review items and are limited to three (3) minutes per person. Persons may not allocate unused time to other speakers.

Members of the public may submit public comment via Zoom or by dialing into the meeting by telephone. To provide public comment via Zoom, log into the ZOOM webinar at the above link and utilize the "Raise Hand" feature during any public comment period. To provide public comment via telephone only, press *9 to "Raise Hand" and *6 to mute/unmute.

Additionally, public comment can be submitted via email to washoe311@washoecounty.gov. The County will make reasonable efforts to send all email comments received by 4:00 p.m. on January 11, 2023, to the Committee members prior to the meeting.

During the general public comment periods at the beginning and end of the meeting, speakers may address any matter either on or off the agenda, including items heard on the consent section of the agenda. For the remainder of the agenda, public comment will only be heard during public hearing and project review items and should be

about the specific item being considered by the Committee at that time. If an item is continued, then public comment will not be heard for that item until the date of the continued hearing.

Presentations and public comment for individual agenda items are limited as follows: fifteen minutes each for staff and applicant presentations and three minutes for individual speakers unless extended by questions from the Committee or by action of the Chair. All comments are to be directed to the Committee as a whole and not to one individual. Emails will be included in the record but will only be read aloud during the meeting subject to the chair's discretion and if time permits.

Responses to Public Comments. The Parcel Map Review Committee may deliberate or take action only if a matter has been listed on an agenda properly posted prior to the meeting. The Open Meeting Law does not expressly prohibit responses to public comments by the Committee. However, responses from Committee members to unlisted public comment topics could become deliberation on a matter without notice to the public. To avoid this situation and to ensure that the public has notice of all matters the Committee will consider, members may choose not to respond to public comments, except to correct factual inaccuracies, ask for County staff action, or to ask that a matter be listed on a future agenda.

Forum Restrictions and Orderly Conduct of Business. The Parcel Map Review Committee conducts the business of Washoe County and its citizens during its meetings. The presiding officer may order the removal of any person whose statement or other conduct disrupts the orderly, efficient or safe conduct of the meeting. Warnings against disruptive comments or behavior may or may not be given prior to removal. The viewpoint of a speaker will not be restricted, but reasonable restrictions may be imposed upon the time, place and manner of speech. Irrelevant and unduly repetitious statements and personal attacks which antagonize or incite others are examples of speech that may be reasonably limited.
