Hi Ms. Kerfoot,

My company owns Parcel 008-451-10, 008-451-01 and others in the City of Reno. I am responding to your legal notice regarding the proposed renaming of E 10th St to Feemster Street.

Your notice does not say who "Feemster" is, but I searched online and found the deceased Dolores Feemster, a counselor at Hug High School credited with guiding many students, who were ethnic or racial minorities, in the direction of successful careers.

Assuming this is the Feemster to whom you are referring, I have no objection to the street's renaming in her honor. I am happy to support it.

Sincerely,

Ron M. Aryel, M.D., M.B.A.

Dear Street Naming Committee:

The Feemster family has been an important family in our community for more than 70 years. So many members of the Feemster family have worked hard to serve our community. They have made lasting positive impacts on the lives of not only countless Reno residents, but residents of the surrounding communities as well. I think it would be fitting to have 10th Street at Sutro going east to be renamed Feemster Street.

Thank you for your consideration.

Dear Washoe County Community Services,

I am writing in support of renaming 10th Street in Reno after the Feemster Family with regards to the upcoming meeting to be held on July 15th, 2021. Although, this recommendation is NOT in lieu of naming Hug High to Feemster High. Dolores Feemster was a powerful and influential member of the Hug High community, and most definitely deserves to have the new CTE Center named after her. Thank you.

Sincerely,

Deanna Fine
