

WHAT THE AMERICAN FLAG MEANS TO ME

50 Stars for each state in the nation.
13 stripes to recall our foundation.
The Red is the blood of justification.
Blue is our faith in unification.

The countless stitches and endless seams
Hold together the glory that our flag beams.
Through all of our hardships, the flag always seems
A sign of liberty for all, and for all, it redeems.

So, I ask you on this Flag Day,
What do you see as the wind makes it sway?
Do you see the price that others must pay?
Or do you have hope in the promise that lay?

The Old Glory, The Star-Spangled Banner, or The Red, White, and Blue.
It will always fly proudly for its country, and for you.
